AMBASSADOR'S MESSAGE

THE HON. JOAN HALL MP

1998 has been a year of many headlines for our beloved sport of Soccer.

We have had the excitement of the World Cup in France, which saw many of us very bleary eyed but captivated by the action of the world's most watched sporting event.

At a National level, I know all South Australians are extremely proud to have a South Australian as the new Chairman of Soccer Australia. Our own Basil Scarsella has been warmly welcomed to the role, with high expectations of what will be achieved through the different and considered approach he brings to this important position.

Our local teams enjoyed the benefits of playing at the new facilities at the Hindmarsh Soccer Stadium during the Mutual Community Top 5 Finals Series. With undoubtedly the best pitch in the nation, the new Western grandstand and the improvements from Stage Two of the Redevelopment, we should all be proud of what has and is being achieved at Hindmarsh.

Over the last twelve months the new facilities have hosted their first international matches with Japan playing our Socceroos and the Olyroos taking on the Brazilian Olympic team. With Olympic training matches to look forward to next year, we can all expect a great deal more international excitement at Hindmarsh during 1999.

Throughout 1998 I continued to enjoy and appreciate the warm hospitality extended by the Clubs at all levels of our game at many, many matches and functions. I extend my sincere thanks to all members of our Soccer community for their support and enthusiasm, welcome the new Clubs to the League, and look forward to seeing you again throughout Season 1999.

As the buzz of the Olympic approaches and the final completion of our new look Stadium bears ever closer, I am confident that 1999 will be an even greater year for South Australian soccer.

CHAIRMAN'S MESSAGE

LES AVORY

What an exciting year ahead for Soccer in South Australia.

1999 will be a highly competitive and exciting Season for all Premier and State League Clubs, and on behalf of all Commissioners, wish all Clubs, especially the newly promoted to the Premier League – Modbury and Para Hills – and our new Members to the State League, North East MetroStars, Northern Demons and the Panthers Soccer Clubs every success for Season 1999.

From the top, it's a new dawn. A highly regarded South Australian is now firmly in control of Soccer Australia. Basil Scarsella is respected by virtually everyone in Soccer, even the media like him. His task is daunting and will require all of his considerable negotiating skills and vision to bring success, stability and unity to our code at all levels – State and National.

To this end, the specially formed National Committee, of which I form a part, will soon hand down its recently completed 'National Strategy' to the Board of Soccer Australia. Early this year, we shall see Basil implementing its proposals for the benefit of the total participants and providers, not just a few at elite levels.

Stage 2 of the Redevelopment of Hindmarsh Stadium has commenced. The Premier and his Government's support of our code and Olympic commitment will be returned, when in September 2000, Adelaide and Hindmarsh will be screened to billions of people all over the world. John Olsen's courageous vision in improving sports facilities in our State in general cannot be overpraised. He didn't just talk about it, he did it.

As expected, the hard yards bring out the character in people and it's been reassuring to know that Joan Hall, our Ambassador, has been with us all the way. Her advice and council is greatly appreciated.

"From the top, it's a new dawn."

The Commission remains committed to our National League Clubs in assisting wherever possible to ensure their success and support levels continue to grow, utilising the resources of the Federation and its Clubs. I look forward to seeing both the Adelaide City Zebras and the Adelaide Sharks making a successful mark on the Ericsson Cup Finals Series.

We look forward to 1999 and 2000 with confidence, and once again, I wish all Premier and State League teams a successful Season and look forward to seeing you at Hindmarsh Soccer Stadium for the Mutual Community Top 5 Finals Series.

GENERAL MANAGER'S REPORT

TONY FARRUGIA

Welcome to the 1999 Smoke Free Premier and State League Competitions – the last of this Century.

As we look to the new Millennium with renewed hope and enthusiasm for our great game, we wish all teams competing in our competitions every best wish for the long season ahead.

West Torrens Birkalla will be jealously guarding and defending the title of Champions which they so richly deserved in 1998, while Modbury, Para Hills (the newly promoted) will be striving to prove their worth in this Competition.

The 1999 Season promises to be one of the most evenly contested with Adelaide Blue Eagles determined to again flex their muscles after a two year absence from Premiership glory.

In the State League we welcome three new teams; North East MetroStars, Northern Demons and the Panthers Soccer Club. These teams were selected after an exhaustive application, interview and approval process and their admission to the Federation Competitions is a boost indeed for our game.

Our National League Clubs. Adelaide City Zebras and the Adelaide Sharks now participate in the State League Competition as full Members and are eligible for promotion to the Premier League. This itself will add spice to the State League Competition.

Off the pitch the Commission has been very active in assuring the welfare of our game at all levels.

The election of our own Basil Scarsella as Chairman of Soccer Australia (the first South Australian to hold this position) is truly an opportunity for us to once again lead the way in Australian Soccer.

Basil's honesty, dedication and commitment to succeed is already reflected in the progress being made in various areas of our game nationally and internationally.

One of the basic formulas for success is the unification of our sport and to this end the Commission has invited Members of the South Australian Amateur Soccer League, South Australia Women's Soccer Association and the South Australian Junior Soccer Association, to form a Task Force which, will hopefully lead to the sport being administered as one.

With the Olympic Games now only eighteen months away we are already feeling a sense of excitement.

The Hindmarsh Soccer Stadium Redevelopment, as well as leaving a legacy behind for our Sport, will also have many other benefits associated with it:

- The upgrading of three Club venues for training for Olympic teams. This upgrade will include pitch maintenance and lighting suitable for us to program night matches in the future.
- Give the people of Adelaide the opportunity of touching the Olympic Games by attending matches at Hindmarsh Stadium.
- Take the city of Adelaide to literally billions of lounge rooms of people, in every corner of the world.
- Identify our local community as hosts of one of the world's biggest sporting events.
- The establishment of a "Soccer Precinct" at Hindmarsh utilising the Heritage buildings is under discussion with the South Australian Government.

All in all, the whole development of the Hindmarsh Stadium, and its surrounds, will provide Soccer a unique environment that we can all be proud to call home, extending the commitment of the Commission to unify the sport.

Much has been said and written in regards to the contribution made to the Hindmarsh Project by our Ambassador, Mrs Joan Hall. Joan's commitment to Soccer does not stop at Hindmarsh. She is truly an Ambassador who has the game at heart, no matter whether it is international, national or local.

Since becoming involved some four years ago, Joan has made, and continues to make, an indelible stamp on the game.

Following the Report made to the Commission by Denis Harlow in regards to Junior Competitions, Development and Coaching Programmes, the Commission addressed many of the recommendations made. The appointment of a full time Manager of Junior Programmes and four part time Regional Coaches and two Area Coaches certainly reflects the Commission's commitment to the promotion of Junior Soccer in this State.

The Marketing of our sport is vital to its very existence, and in recognition of this, the Commission is developing the establishment of our Marketing Department within the Federation Offices.

It is envisaged that with the unification of the Sport that Marketing and Public Relations shall form a high priority, particularly in the areas of:

- Media Liaison
- Sponsorship
- Licensing
- Public Awareness Programmes

Like any other sport, ours cannot survive without the support of our valued sponsors. To the Office for Recreation and Sport, through their funding of the Smoke Free Premier and State Leagues, we extend our sincere thanks. To all our valued sponsors, we say thank you and encourage our clubs, their Members and Supporters, to support them as they support the game.

We continue to have a successful association with the J League, resulting with Sanfreece Hiroshima conducting their Training Camp in Adelaide over a period of two weeks in February. To this end, we will continue in 1999, to actively pursue and promote this area of business for the Federation.

We look forward to an enjoyable competitive year culminating with an exciting Mutual Community Top 5 Finals Series at Hindmarsh in September.

How To Earn More Money Out Of Your Business

Most people in business are often so busy working in their business each day, that they don't have time to measure their success and to plan for their future growth and security.

Success in business is rarely achieved by chance. It usually results from careful consideration of ideas, planning and working towards achieving planned goals.

We can carry out a review to determine where your business is now, and then establish its future potential. Together we can develop ideas and plan for your future success.

We are able to regularly monitor the profitability and cashflow of your business and compare them with your planned objectives. Our regular reviews and meetings also help to identify further ways to make you more successful.

Our experienced team with a comprehensive range of skills ensure effective tax, financial and estate planning measures are utilised for your benefit. Of course we can also provide professional cost efficient audit, business investigation, computer support, company secretarial and litigation support services.

We have experience in a broad range of professional, manufacturing, wholesale and retail businesses. Our services are directed towards offering our clients more than the usual once a year "post mortem".

We can help you to run a more successful business.

MARKETING 1999 AND BEYOND

TONY HENSHAW, VICE-CHAIRMAN

As we know, 1999 is going to be the start of a huge build up to the 2000 Olympics. It will be without doubt the biggest event we will be involved with for many years to come. We must make sure we market and enhance our game to its greatest potential. We have now got a Marketing Team in place to take us to the next level.

We have been working to negotiate deals with current and potential sponsors that not only benefit soccer and the Federation overall, but that financially benefit every one of our member Clubs.

Sponsorship

We have current agreements with Carlton and United Breweries and Mutual Community that offer an incentive directly back to you, our Clubs, which you would agree provides most needed funds and equipment. We intend to offer similar incentives with as many agreements and events as possible this year, for example: Coca Cola, Wakefield Sports Clinic, Apparel and Ball Licensing, Season Launch Dinner Auction and Major Lottery to name a few.

It is now up to each and every Club to maximise these and future initiatives not simply survive in the competition but to realise on field and off field success.

Our aim this year will not be to dwell on where we have gone wrong or should have done better, but to pull together with you our member Clubs to reap the rewards and enjoy a financially healthy year of Soccer in South Australia.

The Marketing Department headed by Matt Cross has detailed a plan which encompasses initiatives and innovations planned for Premier, State League and in fact a wide range of local soccer including our efforts with the South Australian Amateur Soccer League. This has been a positive on-going process with the Amateur League and we can confidently say that a lot of new ground has been broken with many in the corporate sector looking favourably at joint sponsorships. As a united group we have many benefits to offer. Again it is important to note that, where possible, Contracts that are entered into, are anticipated to have a direct financial component that will benefit our Clubs.

The following is a list of priorities for Marketing for season 1999:

- Pre-Season Dinner Auction
- Sponsorship – SASF/Premier League and State League
- Club 250 membership
- Events/Competitions
- Mutual Community Top Five Series
- Federation Cup
- Media Public Relations
- Hindmarsh Stadium Marketing

I would like to extend a warm welcome to new members of the SA soccer family:

- Baulderstone Hornibrook
- CMI-Hino
- Conga Foods
- Connell Wagner
- Distinctive Homes
- PDR Sports
- Penalty
- Rider Hunt
- Roadrunner Couriers
- Scalzi Produce
- Sports Team Direct
- Swift Office Supplies
- TAB
- Tatachilla Winery
- Wakefield Sports Clinic
- Woods Bagot

I would like to thank our current and loyal list of sponsors that you will find scattered throughout the Year Book and also listed on the back cover. We do ask the Clubs and their supporters to support the companies who support Soccer and where possible, utilise the products and services they offer.

Smoke Free sponsorship continues to be the backbone of our Sport and we are very appreciative of their support and again offer our acknowledgment and gratitude for the upcoming 1999 Season.

1999 promises to be a most exciting time for the South Australian Soccer Federation, our Teams, Valued Sponsors, and all Supporters and I wish you, our extended Soccer family, every success this Season.

The 1997/98 season brought many highs and lows to the Adelaide City Soccer Club. Although it was the boots of our own former player Kosta Salapasidis whose goal put our Club out of the Finals Series and tumbling down the ladder to 5th position, most people would consider that our championship hopes were buried in the Morwell mud when we lost the last minor round game of the season 1-0 in blinding rain and howling winds. Dependant on some other results, a win at that time would have put our Club into second place with just one play-off to make the Grand Final but it wasn't meant to be....

But an even greater low, as it effected the whole of Australia was the Socceroos' devastating Iranian nightmare at the Melbourne Cricket Ground in November 1997 which put Australia, once again, out of the World Cup. Adelaide City provided such great Socceroos to that World Cup Campaign Alex Tobin (Australian Team Captain), Milan Ivanovic, Damian Mori, Kris Trajanovski and Jason Petkovic – and the result was a real injustice to their unrelenting efforts and gritty determination.

On the brighter side, several new and upcoming National League (and probable future Australian Team) players were introduced into the squad.

Perhaps in the near future, names such as David Terminello, Travis Dodd, Anthony Breadon, etc will wipe out those major disappointments of the past and present us with a bigger and better future, nationally and internationally. Certainly with the appointment of Australia's most successful coach Zoran Matic, they could have no greater mentor.

It has become almost convention now that one of the top six spots each year will be taken by Adelaide City in the National League, and our number of appearances in that elite group is soon expected to create a record.

Records such as these are becoming commonplace in our Club – ask Alex tobin who holds the record for Australian Team Caps or Damian Mori who held the World Record for the fastest goal ever scored in a league match etc etc.

Despite the tremendous improvements currently being undertaken at Hindmarsh Stadium there will be plenty of room to welcome further members and supporters.

Finally, we must mention the very valued contribution of our generous Major Sponsors of last season – Farimont Homes Pty Ltd, Kapa Australia, Primo Smallgoods, Festival City Wines & Spirits and Adelaide Pest Control, along with all of the other sponsors, our loyal fans and supporters.

Everybody likes to be a part of success. By becoming involved with Adeliade City Soccer Club you can be assured of just that.

The West Adelaide Sharks have undergone some very important changes this year.

The first major change has been the involvement of Con Makris who has taken over 51% of the club. Another important change this season is the appointment of Manfred Schaefer as the senior coach and Manecas Lopez as his assistant.

The team has also been boosted this year with the services of such players as Hamilton Thorpe, Derek Poimer and Paul Souris. Add to the experience of last year's squad and the inclusions of exciting young players such as Ilias Dermoutsidis, Danny Vidakovic, Adrian Indiorio, Aaron Westervelt, Peter Miholopoulos, and George Tsonis and the club certainly looks like having a very bright future.

The Adelaide Sharks have been a very proud club and will be working even harder to make sure that we will be a force again and lead the way for Australian Soccer. With the redevelopment of Hindmarsh Stadium, Adelaide Sharks fans will have the opportunity to support the team from the brilliant new facilities. The Adelaide Sharks welcome new members and support from all backgrounds.

The club would like to thank all its loyal supporters and the many volunteers who work tirelessly to make the club a success.

We would also like to thank all our sponsors who have supported us in the past and continue to support the Adelaide sharks.

Sponsors: Makris Group, Alsco, Asics, Clipsal, Vilis, CUB, Ginos, Parissos & Sons, Wakefield Sports Clinic.

BLUE EAGLES

In 1998 the Adelaide Blue Eagles captured the Mutual Community Federation Cup for the second year running. This adds to the twenty or so major titles gained in the last eighteen years. Since 1990 the team has won either a trophy or championship each year and 1999 should be no different. Whilst the last few years have seen a dramatic turnover in players, the professionalism and commitment of the club has maintained its position as "Team of the Decade". This has also been due to the fruition of a strong junior policy which stresses the need for specialist skills coaching at all levels and promotion of the game in local schools. Already, many of the first team players are club juniors or recent debutantes.

Club prospects also look good with commencement of work on practice pitches, car parking, terracing, and changeroom facilities at the Marden Sports Complex. The commitment to relocate the home of the Blue Eagles will strengthen the club's excellent reputation and stands as testament to the support of the fans, members and sponsors that have backed the club over the years.

RED DEVILS

The 1998 season proved to be a successful one in terms of the development of our young players. All three senior teams performed well and proved the wisdom of the decision to promote youth wherever possible. We look forward to turning this development into a Premier League Championship this year.

Our newly appointed coach, Chris Manolev has pledged to continue the promotion of young talent and with the assistance of Under 23s coach Tim Adler, and Under 19s coach Tony DeGregorio, he promises a highly competitive squad with a level of fitness second to none.

We are building the foundations of a solid Administrative base for the entire club and hope to make greater use of our superb Indoor Stadium in the year ahead. We are strengthening our ties with Futsal and Indoor Soccer and look forward to hosting an increased level of competition.

Our club office is open on Tuesdays and Thursdays to increase our public profile and accessibility and provide the club with a sound administrative base for the future.

Campbelltown City Junior Colts have put a lot of work in over the last 12 months to upgrade their facilities and it is hoped that the newly refurbished clubrooms will be ready for the start of the season. The Colts are looking forward to building on the development work that went into the juniors last year and expect to be highly competitve in all age groups this season.

The Women's team have worked hard over the summer to improve their skill levels and attitude to soccer and look forward to a good year with a number of promising first year players expected to impress.

THE KINGS

In our first season back into the Premier League since winning promotion from our 1997 campaign, Croydon has enjoyed a very successful year. Our expectations were to finish in the Top Five and this was achieved with the senior side finishing third at the conclusion of the minor rounds.

Congratulations to the players who produced some excellent soccer in the top Five Play-offs to go straight to the final, where they were unfortunately unsuccessful.

The dedication of all the coaches, players and supporters added to the success of the season. Congratulations must also go Mick Doyle and the players of the Under 23s for finishing the minor round in second place and being runners up in the Top Five Series. The Under 19s under the direction of Coach Henry Pamula won the Bailetti Cup and finished the season in second place and were also runners-up in the Top Five Series.

For the 1999 season Jan Kierno will remain as senior Coach, with Henry Pamula as the Assistant Coach.

THE FOXES

The first year back in the Premier League after a long break was both rewarding and challenging. Not reaching the Top Five finals was a little disappointing after an excellent start to the 1998 season, but we can now re-build and be a more formidable team in 1999.

Junior development is an integral part of the club's operation. We are currently fielding thirteen teams, where the players are given the opportunity to develop and play in higher grades.

Financial benefits can also be achieved by providing players with the chance to progress through the ranks to the senior team, by not having to spend large amounts of money recruiting players into the club.

Our philosophy is for boys and girls to play soccer for their club with the view of going on to play for the State, Australia and in time, overseas.

David Leane will continue as senior coach with Richard Preston as his assistant. Julian Stuart will coach the Under 23s and Graham Smallman the Under 19s. These coaches will also be working with the Junior Coaches in an endeavour to improve the overall playing standard within the club.

During season 1998, the club received a great deal of support from a number of sponsors and individuals, for which we are extremely grateful.

AR Leane, Electrical Contractors have agreed to continue to be the club's major sponsor for the 1999 season and we appreciate their loyalty and support.

We are now developing a whole new strategy for marketing and sponsorship of the club and players for the 1999 season.

When all things are taken into account, 1998 was a relatively successful season for the club on its entry into the Premier League. While finishing eighth may be considered disappointing, Elizabeth was only three points away from a spot in the top five. Harry Bell and Jim Mitchell deserve congratulations for their efforts in putting together a competitive side.

The Club fielded seven junior teams in 1998, winning the U17 Cup and having four teams finish runners-up in their respective leagues. It is determined to maintain its emphasis on junior development as this must provide the basis of future success.

After much deliberation, the Club has appointed Alby Kidd as senior coach for 1999 and is confident that, with his experience, he will be able to build on the foundation created in 1998. The Club expects improved performances from its U23 team, to be coached by George Cairns, and its U19s, to be coached by Michael White, based on its large pool of U17 players from 1998.

The Club has learned a number of lessons from its initiation into the Premier League and is confident that it can cement its place at the top level during 1999. It further wishes to thank its sponsors and supporters for their assistance during 1998 and hopes that they will maintain their commitment during the coming season.

1998 – Where do you start!

The most successful season in the club's history. Minor premiers in the State League for our Senior team and Mutual Community Top 5 Champions. Our Under 23s and Under 19s both Top 5 Champions in their respective leagues.

To all our players, coaches, committee, helpers, and our sponsors, the club thanks you for all your cimmitment. The rewards for all of the hard work are shared equally as Champions.

The Premier League beckons for 1999. Our coaching staff retained to continue our progress and development of our young and talented group of players.

Our planned progress set out three years ago is on track. We need the Premier League for us to continue to grow as a club.

Senior coach Duane Gray is confident we can emulate clubs promoted over the last two seasons, WT Birkalla and Croydon Kings and make a Top 5 position our first objective.

To quote last year's year book: "We have planned for success, we are working for success; success belongs to our supporters and our generous sponsors, and us."

To Rodger King and the Federation staff - thank you for your help when needed. To all the Premier League clubs... "The Jets are back".

THE FLAMES

The 1998 season was one of changes for the Olympians Soccer Club. Major organisational and managerial changes occurred during the year, which culminated in the Adelaide Rodos community taking control of the Olympians Soccer Club.

These changes fortunately did not seem to effect the team, as their early form was devastating. Olympians enjoyed one of their most successful starts to the season on record, winning the first three games.

Unfortunately long term injuries to key positional players, such as John katranis, and the loss of state striker Theo Anastasiou on an overseas trip, saw the team go through a mid season slump. However, a late resurgence near the end, under the astute guidance of Branko Milosevic saw the Olympians Soccer Club finish the year very strongly.

This current 1999 season will now see the Olympians Soccer Club under the watchful eye of the Regency Lions Sports & Social Club (RLS&SC). The RLS&SC will endeavour to stabilise the Olympians Soccer Club, with the primary aim of achieving long term success.

We hope that through this new association a strong foundation can be laid so that the game of soccer in this state improves.

The 1998 year started badly with the loss of three key players, which left us very depleted. Then on a more positive note, with the signing of Steve Cook, Andrew O'Malley, Steve Horsburgh and Peter Waine, we looked like we might go places. Unfortunately, injuries to A. O'Malley, J. Stockdale and A. Dunt blunted this optimism.

We went through most of the season with some disappointing results, but like the great club we are, the team rallied and finished in a position to play in the Final Five series. We played our neighbour Modbury in the final, only to go down 1-0, in a lack lustre match. The most plesing aspect of the game was the award of the Guilio Bailetti Medal for Man of the Match to our player Peter Waine.

The other highlights of the year for the Club were the most successful hosting of the State Junior Championships in June, to be followed by the hosting of the Under 14s National Talent Identification Championships in September. Then with only three days to go, we were asked to host the Under 15s as well, which we did with the assistance given by the Salisbury Council Staff. The whole event turned out to be a great success for both the Club and the Federation.

The really great thing to come out of season 1998 was the number of young players being blooded into the 1st team and likewise from the Under 17s, Under 19s and Under 23s. There's no doubt we will need a couple of seasoned players to bolster our youth program, but we now look forward to the challenge of the Premier League and cementing our position as a true Premier Club.

In closing we would like to acknowledge our Sponsors, and especially our Major Sponsor, Parafield Traders, for their continued support.

THE PIRATES

Hi and welcome to all soccer supporters for the 1999 season.

Once again our past season was a disappointment to say the least; full of so many promises and delivering little more than anguish for our supporters and management alike. However, the latter third of the season did deliver something like the results that we should have been achieving earlier.

During the past season a plan was formulated for our club to make some positive steps toward securing a brighter future for our members, supporters and players. With some hard work, perseverance and dedication we can achieve the results that are required to have and maintain a successful club.

I would like to take this opportunity to thank all of the many sponsors that continually contribute to the clubs and federation; without them the difficult task of maintaining our organisations would be much harder, maybe even impossible in some instances.

To the Adtrans Group (Stillwell Ford, Stillwell Daihatsu, Stillwell Hyundai and Cornes 4 x 4 Centre) who once again have committed themselves to our club for a sixth successive season, I thank them for their valuable support.

We now look forward to season 1999 and wish all of our "Pirates" the best for the season ahead.

we're smoke-free

To say that the 1998 season was a bitter disappointment to our club is an understatement. The committee had done everything possible to try to emulate the success of 1997. It just did not happen for us on the park. One shining light was the success of the Under 19s. Thanks must go to coach Ben Rogosic and the players who played for the Under 19s. We must also thank Mark Brazzale and Boris Paleka for taking over the senior team as caretaker coaches after the sudden departure of Alby Kidd as senior coach.

We welcome to the club Rocky Aloisi as senior coach, Michael Petrillo as U23 coach and retain the services of Ben Rogosic as U19 coach. We wish the coaching staff and players luck and success in season '99, in particular the young guns who are trying to cement a place in the first team. we look forward to the '99 season with renewed enthusiasm and with Rocky's leadership it won't be long before we taste success again.

Without sponsors it would be difficult to survive in the Premier League. Therefore, we would like to thank our major sponsors The Croatian Club Inc, Tudor Pavers and Bianco Builders Hardware. Many thanks to all our other sponsors and to our hard working committee.

Welcome to all new players at the club and hope that your stay at the club is a successful and permanent one. We hope that you will enjoy the hospitality and friendship that our club has to offer. Good luck to all in '99.

THE EAGLES

Even the start of pre-season training hasn't been enough to wipe the grin from some players' faces!

Success is sweet. Even more so when it's been 46 years since you tasted it from a Premiership Cup, and Birks will happily bathe in that golden glow until the whistle blows in March. The accompanying individual successes of Charlie Villani (Coach of the Year), Lachlan Campbell (Player of the Year), Jason Trimboli (Leading Goalscorer), and Jamie Carreno (Player of the Final) add up to a grand slam of trophies that will not be matched for a long time.

The club trophy cabinet was further enriched by a plaque commemorating the season presented to the club by West Torrens Council at a civic reception for the team in November.

Much of what makes the Camden Facilities so good comes from the good working relationship between the club and the council. This partnership has been further strengthened by the joint club/council proposal for the ground to be one of the two South Australian Olympic soccer training facilities. The upgrading necessary for that honour will confirm the West Torrens Birkalla ground as one of the best club soccer facilities in Australia.

The illness of secretary Peter Ross during the year and the retirement of Mignon Ross as senior trainer at the end of the year brought sadness to the celebrations but hopefully Peter will be back keeping an eye on the Board for the new season.

He says he can't wait for it to start – and neither can we!

we're smoke-free

THE WARRIORS

White City Woodville Soccer Club's 1998 season was slow in starting. As the season progressed, our White City Warriors Senior Team proved its ability to be finals contenders, and finished a respectable fourth place for the season.

Our Under 23 team started well and showed the potential of being a strong opponent for any team to face. As the season progressed, the expected results were not achieved, but they finished strongly.

Our Under 19 team again had a brilliant start, and carried the momentum throughout the season showing their quality and finishing fourth.

Season 1999 will be a very significant year for the White City Warriors, for it will be our 50th anniversary. The club and supporters will expect to achieve great things for season 1999. Along with the dedicated staff and officials and with the depth and talent of the players, the club is sure to do very well.

The club wishes to welcome new Senior Team Coach Norman Lees and all the new staff to the club. We hope they can bring success and add their skills to the club. The club would like to thank all sponsors and supporters who have supported us for 50 years, and we hope for their continued support.

THE COBRAS Adelaide Cobras Soccer Club, in its first year under its new name, had a very good season in 1998. For the first time since joining the State League, the Cobras were involved in the finals Series and made it through to the Semi Finals, where we unfortunately lost in a very exciting game to Para Hills. All players were committed to winning and look forward to playing in the Final Series again this year.

Our U23s also had a good season, just missing out on a place in the final series. All players showed a lot of discipline and hard work and were unfortunate to miss out.

Unfortunately, the Cobras were unable to field an U19 team in season 1998. The club took up the challenge of ensuring a team would be fielded in 1999 and began a major Junior Development plan to enable the club to grow into a successful team in the future.

This season has seen a changing of the guard at the club with the appointment of a new Executive Committee, with Mr Chris Karittevli being appointed Chairman.

On behalf of the new Committee I would like to thank all of our sponsors for season 1998, especially our major sponsor Galipo Foods, and look forward to all their continuing support in 1999.

Finally, I would like to wish all clubs participating in the State League Competition the best of luck for season 1999 and look forward to seeing them this year at Weigall Oval.

Our first season as a full member of the SA Soccer Federation was a realistic one. To bring a new senior team into the State League was challenging enough. Add to that, the preparation of a new facility, including perimeter fencing and players benches, after resurrecting the former Blackwood Soccer Ground. All of this after being officially accepted by the SASF at the beginning of February.

The nucleus of the senior side were the players from our 1997 premiership U23 team. With the added stability of their premiership coach Craig Leith and competing in the Summer Youth league, the team was well prepared for the 1998 season.

However, the reputation of the State League being a tough competition was soon realized, as we lost the first two rounds, both away matches. With true Hills spirit we overcame the two losses with our historic first home win. The team went on to win or draw nine out of 11 home games, overall ending the season in a creditable 8th position, but only four points out of a Top Five finish.

Our U23 team had huge boots to fill and found the going tough in the first half of the season. With minimal numbers and juggling of players between teams, the U23s were unsettled and not united as a team. To their credit and coach Peter Buckley, they persevered and in the second half of the season won/drew 8 of their last 11 matches.

The U19 side continued the Club's short tradition of reaching finals. After finishing 3rd in the home and away rounds. They were unlucky to go down 2-1 in the Top Five Grand Final. A sensational effort with most of the players still U17 and also being guided by Peter Cottle in his first year of coaching that team.

The Hawks have come down from the Hills and successfully preyed on State League clubs in their inaugural season. With the talented and eager younger players pressing for senior selection, the preying will be more relentless in 1999.

The Committee would like to thank everyone involved with the Hills Hawks for their contribution in making our first year as a full member of the SASF a specially memorable one. We couldn't wait for '98! Bring on the time for '99!

The 1998 season started with feelings of entering unknown expectations. We had a very new raw committee who has worked very hard during the close season to remodel and upgrade clubroom facilities, a new coach and assistant, plus virtually a complete new team. However during pre-season practice matches our commitments looked to be capable of repaying our faith.

Over the 1998 season the club was very successful even though we failed to win promotion to the Premier League. Our three senior teams all qualified for the Mutual Community Top 5 play offs. This was a terrific result for the club and augurs well for the coming season. The selection of Craig Woods as winner of the "Bob Telfer Medal" was a just reward for Craig's attributes as a player and person on and off the pitch. We are certain this is the first of many accolades Craig will receive in his playing career.

We have once again been fortunate enough to engage Phil Scardigno as Senior Coach for the 1999 season. We are sure Phil's insistence on playing quality soccer will again achieve good results for our club and supporters.

Once again our junior development was successful with the introduction of another two junior teams. We must thank our sponsors for their kind support during the year, the co-operation of the Port Adelaide/Enfield Council has also been appreciated.

Under the guidance of Senior Coach Gary Price, Noarlunga Bulldogs achieved a major milestone for season 1998.

Our Senior Team, captained by Steve Kitchin, reached the play-offs in the Top Five Series, placing us fifth at the end of the season. However, our Under 19 and Under 23 teams achieved a result that no one would have ever expected. Our dedicated and very promising players rewarded our club with the honour of both teams being Minor Premiers in the State League Competition for season 1998. Unfortunately, their success didn't carry over into the top Five Series, with both teams losing in the Semi Final.

An even greater achievement for the Bulldogs was the Player of the Year Awards received by Scott Price – Under 19, and David Foy – Under 23.

Once again the 1999 Committee has the enormous task of rebuilding Noarlunga United. With the enthusiasm, courage and strength shown by the new committee we hope to achieve this mighty goal.

The Club, its members and supporters are confident that once again under the guidance of Gary Price and his coaching staff consisting of Andy McArdle, Jeff Ellis and Steve Kitchin we will continue to be competitive.

In a relatively short period of time the MetroStars Soccer Club has come a long way since starting out in 1995 as a Division 2 Saturday League Amateur team to winning its first Championship in 1996 to 1999 where the club will field Senior and Junior teams in the State League and in the SA Women's Premier League.

MetroStars Soccer Club was established in November 1994 as the Sicilia Sport & Social Club's South Australian Soccer representative. Known initially as the Metro Knights Soccer Club, our name was recently changed as a result of admission into the south Australian Soccer Federation State League. The name "MetroStars" was adopted in December 1998 after forming a liaison with the New York "MetroStars" Soccer Club.

MetroStars Soccer Club's purpose is to provide excellent sporting, social and recreational facilities and to lead in the development of soccer in our community. The club is diversified and its charter is to not only satisfy, but to exceed the sporting and recreational needs of both our members and supporters. In exercising its objective, all members of the club including its players are committed to the club's motto of *"MetroStars Building Soccer for the Future"*.

Since its inception the club has grown both on and off the field and the committee is confident that this level of enthusiasm will continue into the 1999 season as participants in the State League. All in all we anticipate it will be another busy and very exciting year ahead.

In continuing its tradition of employing the best available coaching staff, the club has appointed Mario Boffa as its Senior Coach. He comes to us with significant experience both on and off the field and we are confident that Mario's ambition to capture a title is just around the corner.

As significant as the rapid rise of the club has been we must thank our faithful supporters both on and off the field, our hard working and committed committee, our loyal sponsors and patrons. We also thank the Port Adelaide Enfield Council, which has been instrumental in our development. The Committee's vision is now more than just a dream, however we are realistic in regards to the hurdles that lay ahead of us.

NORTHERN DEMONS

Postal Address

Virtus Soccer Club Inc.
PO Box 369, Port Pirie SA 5540

Since its formation in 1951, the Virtus Soccer Club has competed in the Mid North and Northern Areas soccer Associations. Over recent years a strong junior soccer program has rewarded the club with a sound resource of young players. Despite not accepting an offer to join the SASF State League 3 years ago, and after much preparation and planning in the interim period, the Virtus Soccer Club's successful application to join the SASF State League in 1999 gives its teams, known as the Northern Demons, the opportunity to implement and further develop its future plans.

Senior Coach Anthony Brevi, together with his dedicated assistants and hard working Soccer Committee, put much faith in the ability of their players. Together they intend to stamp their mark in the SASF State League in 1999.

The Club's large membership base promises great support in 1999 and a membership drive of past members, now living in Adelaide, also promises to gain a strong supporter base in Adelaide. Club facilities situated in Parks St, Port Pirie provides an excellent venue for both members and visitors, and its recently upgraded soccer pitch known as Byrne Park provides an excellent playing venue with the capability of playing Night Soccer.

The Club has attracted the support of many local and Adelaide sponsors. Its corporate sponsors include Fairmont Homes, Gadaleta Steel Fabrication, International Hotel, Hunter Financial Services and Puma. Amongst its supporter base and also in the northern regions of South Australia the Northern Demons will also be known as the Fairmont Demons. The association with such successful sponsors and also the many other sponsors will ensure continued success for the Northern Demons teams.

The Virtus Soccer Club is renowned and also carries a well earned reputation for its warm and friendly hospitality to all visitors. Together with members it looks forward to the 1999 SASF State League season with great anticipation. The Northern Demons believe that they will add a further dimension to the game of soccer and sport not only in Port Pirie but also the northern areas and region of South Australia.

PANTHERS SOCCER
DARE TO WIN

The Panthers were formed in August 1998 to provide an avenue of opportunity for the players in the very successful South Adelaide Colts Club.

The State League team will play all of its home games at the Cove Community Centre, while the South Adelaide Colts will continue to reside at O'Sullivan Beach Sports Centre.

The Panthers have been pleased to secure the services of Raymond Blair as Senior Coach and Terry Vanis as his assistant.

The Management Team have put together an achievable three year plan, which will allow the team to develop local talent and eventually become a real force in South Australian soccer.

The Panthers is jointly owned by The Sporting Star and South Adelaide Colts.

The team is delighted to have won entry to the State League of the South Australian Soccer Federation.

Our visitors will be made most welcome and will enjoy a competitive and lively occasion. Many of the matches will enjoy free entertainment and significant investment will be made to ensure excellent attendance.

Port Pirie City after an ordinary third State League season last year will be out to make its 50th Anniversary Year one of success with celebrations both on and off the park. The club, formerly the Savoy Soccer Club will stage its 50th Anniversary Gala Ball on the long weekend in June, an occasion that will bring to the club and city a host of personalities, guests, past players and soccer identities.

The City's foundation South Australian Soccer Federation club this year finds itself opposed to a second local team, with rivalry seen as a tonic for the competition.

Port Pirie City will be coached by the experienced Ashley Hunter, who has played and coached the club at senior level.

Once again the club figured highly in the Bob Telfer Medal, with Thomas Jackson and Bill Misailidis joint runners-up.

The club appreciates the support provided by Premier Stateliner who is the club's official carrier for a fourth year and is one of several major sponsors. Distinctive Homes, Discount City Carpets, Central Hotel & Portside Tavern, CSR Readymix, National Foods, Carlton & United, Coca-Cola and Mutual Community have all provided sponsorship to the club for which the club's management team is extremely grateful.

The Port Pirie City Soccer Club will continue to expand and enhance its sponsorship base, however along with all major sponsors the club indeed wishes to thank all other sponsors and the Port Pirie Regional Council that continue to support the club. Without sponsorship support and kind association its success in the South Australian Soccer Federation would be fragile and unpredictable.

We are all looking forward to Port Pirie City's Golden Anniversary Year and we wish the club coaches, managers, and players along with all other Federation clubs good luck for the 1999 soccer season.

THE APACHES

1998 saw Salisbury United back in the State League after enjoying many sesons in First Division and then the Premier League. Whilst we lost some players during the off-season, Senior Coach Dave Johnstone went into the season with a nucleus of players from his 1997 squad, enhanced by pre-season signings Donald Spiers, Joe Mrgan and keeper Joeseph Rodriguez.

We looked forward to Daniel Godley's return from UK club Wycombe Wanderers in April only to have him break his leg on his first night at training.

Adelaide City guest Michael Brooks helped the team to lift mid-season, increasing the confidence of the players in themselves and their ability to control games.

1999 will see Dave Johnstone once again at the helm as Senior Coach, going into the new season with a squad of young players who had their baptism in the 1997 Senior Team and who know that they can deliver the goods.

Off the park management and members worked hard to ensure that Salisbury United remained alive and viable. We would like to acknowledge especially the efforts of Phillip Graham in his role as Junior Co-ordinator. With the help of the junior coaches and some parents Phil has moulded the junior side of the club into a tight-knit outfit with several talented youngsters coming through.

We look forward to the 1999 season with hope and the determination to succeed.

1998 was a disappointing year again for the Surfers. All progress made in 1997, new coaches, new players, renewed support, and a lot of hard work looked to be paying off when Seaford "burst out of the blocks" to win their first three games. After that Seaford's season fell apart. The '98 campaign never really got back on track although some very competitive results toward the end of the season showed character and fight and questions of what went wrong.

During the off-season Seaford's main committee resigned, disillusioned by lack of support, results and disheartened after another disappointing year.

For 1999 Seaford has put their problems of the past behind them and is moving forward with a positive outlook. With full support from its NEW main committee, members and supporters, the newly formed Soccer Committee has wasted no time in appointing a high profile player/coach to lead its charge in 1999.

New players have been targeted to add depth to last season's squad. A marketing team has been set up to attract sponsors, raise the club's profile and community support. A Junior Colts Development Team has been formed with Colts Teams in most age groups filled and registered for 1999. With new financial and council support the Seaford Sports and Social Club look forward to a successful season in 1999.

1998 was a significant year for the club, which was previously Woodville City Soccer Club Inc. Many changes and new directions occurred during the year for the club, such as the fielding of a senior team in the State League competition for the fist time, a change of name and profile to Western Strikers, presence for our Under 19s and 23s in the end of year play-offs and a change of venue to Grange Reserve. The club has grown over the years and continues to grow and we boast playing personnel approaching 300 from early toddlers to seniors. Our development programme continues to advance in strength and is now showing results at higher levels. 1999 will provide the club with new objectives as we strive to move forward to seek further and new success.

Continued participation in the National Youth League competition will provide, as in the past, the backbone for 1999 and future senior competition programmes, with our objective to go further than in the past and gain added recognition for the club. With a new look board to direct the club into the next millennium, significant coaching appointment changes at all levels, a spirit of new optimism is being generated both at junior and senior levels. The club prides itself on the unity of its every growing membership and support and the stability of its operation. The new board faces the challenges and objectives with vigour and will strive to elevate the club profile to new levels. 1999 will be the start of this endeavour.

The Northern Areas Soccer Association consisted of eight teams competing in three competitions during season 1998. In the "A" grade Croatia won all three and in the Reserve Grade Virtus won all three.

The season kicked off with the Australian Central Credit Union League Cup. The competition was played on a round robin basis over seven weeks with the two top teams playing off in the final. Virtus finished on top of the league ladder in both grades. In the "A" grade they lost to Croatia by three goals to one but the reserve team beat Steel United by two goals to nil.

The Westland Jewellers League Championship was played over fourteen rounds on a home and away basis. Virtus set the pace and when they beat Croatia in the first leg at Byrne Park they looked good, but a loss to Croatia in the return game and a surprise loss to Steel United at Magill Park allowed Croatia to take out the championship for the twenty-first time by one point from Virtus, Lions was the only other team who looked likely to threaten the top two, but they fell away when they lost to Croatia at Jenkins Park by five goals to four after leading at half time by four goals to two.

In the reserves Virtus won the championship with a 100% record, they played fourteen games and won all fourteen with a goal difference of sixty-seven (eighty goals for thirteen goals against).

In the Association Knock Out Cup sponsored by the Hotel Bayview and named after their late father George Atsalis, Croatia travelled to newcomers Port Lincoln and won easily, Lions beat Whyalla City with ease but Virtus lost at home to Steel United and in the fourth game Wanderers beat Westlands by a single goal. In the first semi-final Croatia beat Steel United by two goals to nil, in the second semi-final Lions beat Wanderers by three goals to one. One week later at Westlands Dakalanta Park Croatia completed the treble by beating Lions by three goals to two, Anton Matacin, Paul Scatena and Colin Marshall scored for the Association Cup Winners and Peter Longin and Marco Cammarota replied for the Lions.

In the reserve's first round, Virtus beat Steel United seven nil, and Port Lincoln in the semi-final seven one. Wanderers beat Westlands two nil in the first round and Lions in the semi-final three one. The final turned out to be one of the best games of the season, Virtus led at half time with goals from Len Gadaleta and Ian Webster with John Sullivan netting for Wanderers. In the second half Michael Bellifemini restored the advantage for Virtus but Wanderers fought back and equalised with goals from Troy Leopold and Andy Wise. No goals in extra time so on to the dreaded penalty shoot out which Virtus won and also took out the treble. To conclude Virtus reserves played 14 league games, 8 league cup games and 3 Association Cup games and did not lose one game, in fact the never lost a game in 1997 either (but they did draw a few) and in total have played some fifty-six consecutive games without a loss.

For the first time, Riverland Soccer's Premier Sports League competition included the junior teams that previously played inter-school. This move has been very successful and bodes well for the future of soccer in this area.

A further success in the 1998 season was our inaugural Night Cup Competition which was well received both by players and spectators. This Cup was competed for by 'A' grade and Under 17 juniors.

Soccer is a sport growing rapidly in popularity in the Riverland, a growth that would not be possible without the support of our major sponsors. Living Health, Premier Sports, Steel-Line Garage Doors, Waikerie Honda and Riverland Steel Supplies have all earned our great appreciation.

The 1998 season showed our supporters some very exciting football, with River Rangers taking out the 'A' grade competition in a great season. Renmark Stars won the Reserve grade competition with Loxton United winning the Under 17, Renmark Olympic 2 winning the Under 14 and Renmark Olympic Green winning the Under 12 competitions.

Our senior representative team had a good year at home, but could not pull it off at Hindmarsh Stadium in October. Our Junior representatives are doing well for themselves and must be one of the best country squads in South Australia, with Daniel Clarke and Amanda Altschwager making their respective State teams and George Grifsas making the Development squad.

As previously mentioned, one of our major happenings in the 1998 season was the amalgamation of senior and junior competitions. Though we have experienced a few minor problems, it has been a positive move for our local soccer, bringing in new blood wishing to be involved with our great sport, both on and off the field.

The 1999 season only promises to be a bigger, better and more exciting season than ever before. If it only lives up to half its promise, it will be a great year and all involved in the Riverland cannot wait for it to start.

The Western Border League consists of 9 clubs, 5 in Mt. Gambier and 1 each in Naracoorte, Portland, Millicent and Pt. MacDonnell. Most consist of two senior and three junior teams. Our competitions are conducted on Sundays. All grades play on the same day commencing at 9.15am.

The season is opened with our Modular Concrete Senior Carnival. Usually a relaxed day with all clubs checking each other out. A social sort of day. Each year it is hosted by a different club.

The Premiership competition follows where all clubs play each other on a Home & Away basis. Then finally a round robin Cup Competition.

This year Gambier Centrals took out the A-Grade Premiership for the first time in 20 years. The competition was that close that the Premiership was decided by the result of the last game they played.

In 1998 the Centre of Coaching was re-established and is conducted by Jeff Napier. Jeff has had a great response to this, with approximately 45 boys attending. The sessions are held in Mt. Gambier and Millicent on Wednesdays and Mondays. Fundraising is on the way to get the boys fitted out with strips and tracksuits. "Good luck".

Our Junior Select teams competed in both Adelaide and Whyalla this year and by all accounts did very well with players gaining invaluable experiences and fostering many new friendships. School Soccer was held in term 3 this year and was well attended by students and the clubs who assisted in running the event.

Last year the Seniors Select Team had a busy but successful year playing in both the Riverland and Adelaide.

The Western Border Soccer Association Senior Select travelled to Adelaide to play against the Riverland Senior Select at Hindmarsh Stadium in October 1998 and were convincing winners. Final scores were Western Border 6 d. Riverland 1.

The evening game was played as a curtain raiser before the Adelaide Sharks versus South Melbourne match.

Although the huge result in favour of the Western Border team, looked as though the opposition was undermanned. It should be noted that in a match played only two weeks prior, Western Border managed a 2–2 draw against Riverland at Waikerie.

The match at Hindmarsh was of a high standard with goals coming from Adam Hodge (three), Shannon Smith (two) and Nathaniel Robbins. In the first half Western border played and worked together as a unit and allowed the team the luxury of going into the half time break 4–1 up, having scored from a wonderful passage of play.

In the second half the Riverland produced a better effort, however, Dylan Moffatt was outstanding in goals and the Western Border team managed to slot home another two goals for a great result. The Western Border team whose average age was 19, had a lot to prove and onlookers (officials from Adelaide City, West Adelaide & SASF) were impressed by the team's standard of play.

Credit must be given to both the coaching staff and the players for their commitment to training for the game.

COLLEGIATE SOCCER LEAGUE REPORT

MICHAEL HIHIMANIS – CHAIRMAN

The Collegiate Soccer League (CSL) is an associate member of the South Australian Soccer Federation, and it comprises of teams nominated by universities, colleges, and high schools, which have been accepted by the CSL Council.

The objectives of the CSL are to promote, organise, control, and encourage good sportsmanship in soccer games and competitions for students and graduates of universities, colleges and high schools.

The CSL was formed in 1981, with four clubs fielding eleven teams in one division of which seven teams were previously playing in the SASF metropolitan 2nd and 3rd divisions.

Since its inaugural year, the CSL has expanded, welcoming more clubs and their respective teams. Last year saw a league competition comprising twenty-eight teams, which was split into three division from the start of the season. There were nine teams in each of Divisions A1 and B1, and ten team sin A2.

Each year traditionally begins with a pre-season Carnival, with all clubs invited to participate in a one-day tournament. As well as the League Championships, the Collegiate Cup is contested with teams playing each other in a knock-out competition - each season culminating with the Cup Final.

I would like to congratulate all of the 1998 season's trophy winners. They are as follow:

- Pre-season Carnival was won by **Rostrevor Old Collegians**, who defeated Mercedes Old Collegian on penalties.
- Division B1 League Championship won by **Mercedes Old Collegian**, which won 15 matches scored 54 goals and concede only 8 goals during the 16 match home and away season. The runner-up was Pulteney Old Scholars.
- Division A2 League Championship won by **Unley High School Old Scholars**, which won 15 matches and scored 47 goals, and conceded only 14 goals during the 18 match home and away season. The runner-up was Woodcroft College Old Scholars.
- Division A1 League Championship won by **University White**, which won 12 matches, scored 48 goals and conceded only 12 goals during the 16 match home and away season. the runner-up was Pulteney Old Scholars.
- Collegiate Cup won by **University White "A"**, who defeated Pulteney Old Scholars A 2-0 in the Cup Final.

Finally, I would like to congratulate the Collegiate Soccer League on yet another dynamic, successful and enjoyable season, and sincerely hope that the 1999 CSL season will be one of good sportsmanship and outstanding soccer for all of the players and their respective clubs.

COACHING DEVELOPMENT REPORT 1998

BY JUAN CARLOS BUZZETTI - MANAGER COACHING & DEVELOPMENT
RICHIE ALAGICH - DEVELOPMENT OFFICER

In a year of contrasts in which Australia has seen immense disappointment in missing out on a place in the World Cup final, to the excitement of the fantastic World Cup Spectacle we watched on television, to the great performance of the national Olympic team against Brazil and the qualification of the National Youth Team for the 1999 World Cup in Nigeria and with the Olympic games in Australia less than two years away, it seems the right time for Soccer to take off in a big way.

Coaches throughout Australian have been working very hard in relation to the development of young players and improving the game in general. the number of players now playing professional leagues around the world indicates that the future looks stronger each year.

In South Australia, our development programs of the past 6 to 8 years are starting to pay dividends in a big way, with many Federation Clubs now having their own development squads in place. The SASF program is working extremely well and you only need to go to the soccer complex at the Parks Community Centre to watch the Under 12, 13, 14, 15 and 16 development squads to see the great improvement in the quality of players in this State.

The appointment of 4 Regional Coaches and 2 Country Area Coaches to work with the clubs and development squads opened a new era of coaching in SA. Already the requests for these coaches to work with the designated clubs in their areas are exceeding all expectations.

Our school clinics are in great demand with a minimum of 2 or 3 schools per day being catered for. The SASF Development Officers along with qualified National League Players have been providing an invaluable service in this area.

The Coaching scheme worked very well this year with many coaches attending the different levels offered by the Federation and improving their knowledge of the game.

The National Talent Identification Championships were conducted in Adelaide, giving the opportunity to all soccer followers to see the best Under 14's and 15's in the country display their talents, with their main focus being to gain a place in the National Teams.

To finalise another great year the young SASI squad again achieved the ultimate honour, in winning the Under 23 Premier League Championship for 1998.

Below: Juan Carlos Buzzetti Manager Coaching & Development

Living Health School Soccer Clinics and Promotions

The demand for school clinics this year exceeded all expectations. Apart from our development officers, Richie Alagich and John Gibson, other National League players were utilised to cater for the increasing interest for soccer in Schools.

Promotional activities and visits to schools accounted for participants in excess of 35,000, where children were coached in the basic movements and skills of Soccer.

Evaluation forms returned from the schools with regards to the clinics were extremely positive, with such comments as:

- Very well organised
- Excellent Coaching and Soccer skills displayed
- Great communication with children
- Will require more Soccer Clinics in future

These kind of comments give satisfaction and encouragement to the Coaches who spend so much time and effort in making the clinics a success. The following schools and promotional activities were conducted during 1998, with many schools receiving multiple visits.

SAPSASA Championships (Primary Schools)

For this year's SAPSASA Championships, the weather was good and provided better conditions for players to display their skills and technique. As always the organisation was very good and the quality and standard of the competition was very high. Some players were selected for our Under 12 preliminary Development Squad to add some more talent to the players already selected.

State Championships

The South Australian Soccer Federation conducted the 1998 State Championships with outstanding success. The best players in the State competed in the different categories from Under 11 to Under 15 age groups, at Para Hills SC, with the finals played at the revamped Hindmarsh Soccer Stadium, which provided young players with the opportunity to play in the best Soccer Stadium in Australia.
The finals result are as follows:

Under 11	East 2	South 1
Under 12	East 2	West 0
Under 13	East 7	West 2
Under 14	East 2	North 1
Under 15	East 3	North 0

Year 7 Sports Camp

This year only 34 players attended the Sports Camp due to the new Sports and Recreation policy which does not allow Year 6 students to attend the camp. Over the years the camp has consisted of the new Under 12 Preliminary Development Squad which has been selected during the year. This gives the advantage of being able to assess and identify players under special conditions. However, under the new policy this opportunity no longer exists, for this age group.

The camp itself, under the strict guidance of all the coaching Staff was once again a total success and confirmed the quality of young players in South Australia.

Regional and Area Coaches

The South Australian Soccer Federation introduced a new Coaching and Development program into South Australia during 1998. With the total support of the SASF Commissioners, the new program was implemented across the state and created a large impact within the Soccer Community.

A very important part of the program was to create five Regional Coaching positions with each being responsible for a Development Squad and an allocated number of clubs in the metro area. There was also a

number of Area Coaches to be appointed in Country areas.

An initial four Regional Coaches were appointed and allocated areas as follows:

South
Brenton Hiern (Under 12)
State Development Coach
Clubs: Noarlunga, Seaford, South Adelaide, Cumberland, Plympton, Birkalla

North
John Mundy (Under 13)
State Development Coach
Clubs: Para Hills, Modbury, Salisbury, Elizabeth, Enfield

West
Terry Hayes (Under 14)
State Development Coach
Clubs: Port/Lion, Western Strikers, White City, Raiders, Croydon

East
Zoran Maricic (Under 15)
State Development Coach
Clubs: Campbelltown, Adelaide Blue Eagles, Adelaide City, Adelaide Sharks, Olympians

In Country Centres 2 Area Coaches were appointed to cate for their region, one each in Wester Border and Riverland.

Western Border
Jeff Napier
Western Border Centres of Coaching
Areas: Mt Gambier, Millicent, Naracoorte, Portland, Pt MacDonnell
Clubs: 10

Riverland
Steve Poutakidis
Riverland Centres of Coaching
Areas: Renmark, Loxton, Berri, Barmera
Clubs: 5

It is envisioned that next year the remainder of the Regional and Area Coaches will be appointed.

The Coaches have been very active in establishing Coaching Courses in the metro area, together with visiting and working with the Area Coach in their designated country area.

Our State Development Squads continued their development under the guidance of our Regional Coaches and during the summer they increased the amount of training sessions due to player's freedom from clubs and school commitments. Our Area Coaches organised themselves very quickly within their regions. They each formed a Development Squad with players of different ages and are working with the clubs every week.

Individual clubs are now starting to recognise the value of the Regional Coaches, who have been working extremely hard to ensure all club requirements are catered for and to establish and maintain high profile coaching sessions for young players in their areas.

State Development Squads

The standard and quality of the young players in our State, as well as their technique and skills, have increased at an incredible rate in the last few years and the proof of that is very clear at training sessions and games. The quality time expended by the players under strict supervision by the Federation coaching staff, is second to none, and the learning process in a professional environment will open the door in the future for many of them.

Our Under 12 squad was formed during the year using very strict guidelines from Clubs, SAPSASA Championships and State Championships. The Under 13s will continue their preparation for one more years focus at the National Championships in the year 2000. The Under 14 & 15 squads went through a process of selection during the year until the final 16 players per team were selected to represent SA at the National Talent Identification Championships in Adelaide during September 1998.

National Talent Identification Championships

The Nationals were conducted in Adelaide after many years of absence, and without doubt was a complete success. A big "congratulations" to Jeff Widera and Aaron Guthrie for their endeavours, professional approach and the incredible amount of hours expended to make sure the Championships were conducted in accordance with Soccer Australia requirements. A big "congratulations" must also be given to Para Hills SC and the fantastic hard working people, for putting up their hands to help the SASF in conducting the tournament for both age groups in their magnificent complex.

Our teams performed well. The time when NSW and Victoria had all of the power has gone. We now have better teams, all of the States have development squads, and better quality players, which made the competition more attractive for all of the States. We only need to look at both finals to see WA v Qld in the Under 14 final and SA v NSW in the Under 15 finals: in total 3 teams from small States playing in the finals.

Our Under 15s performed very well and deservedly played in the final, with (4) players identified for future National Teams. The Under 14s unfortunately missed qualification by one goal. We had a lot of expectations on this team. Even if things did not work as we would have liked, the National Selectors recognised our team as the best in the competition. Proof of this is the recognition and selection of six players for the next Under 17 National Squad. This was the equal highest number of players selected from one State along with Queensland. The final tables are as follows:

National Schoolboys' Soccer Championships

The National Championships were conducted in Brisbane in August 1998 and our State again proved to the rest of Australia why we must be recognised with the best. Congratulations must be given to all players and officials in winning the National title and to Josh Cristison, John Hopkins, Sam McMillan and Shane

Pearce for being selected in the Australian Schoolboys Squad and to Russel Deeley and Ryan Mitchell for being named in the Australian Shadow Squad.

National Teams

During the 10 years I have been involved with the National Teams I have seen the development of our players going from strength to strength, and I can assure you that the quality of players selected from South Australia made us very proud of our achievements.

In relation to the National Under 17 Squad, five camps have been conducted since October 1997.

- One in Adelaide (with games against the Japanese Under 17 National Team)
- Three in Parklea NSW
- One at the AIS in Canberra

These camps have been in preparation for the World Cup qualifications in Fiji in May 1999. The winner of which will play Bahrain in a home and away series for a place in the finals. South Australia has the best representation ever with eight players in the squad. Those players are: Lucas Pantelis, Louis Brain, Iain Fyfe, Aaron Goulding, Matthew Milosevic, Scott Tunbridge, Paul Karittevlis and Mislav Saric.

The Under 20 National Squad also conducted a few camps and travelled to South America, playing games against the National Teams of Chile, Argentina and Uruguay. In August Australia participated in the World Cup qualification in Samoa and despite injuries and sickness to most of the players, they still managed to qualify for the 1999 World Cup in Nigeria. South Australian player representatives were Travis Dodd, David Terminello, Anthony Breaden, Paul Pezos, Danny Vidakovic. Congratulations to all these players and good luck for the future.

SASI Squad

Another fantastic year for the SASI Squad, not only did they win the Under 23 premier league again, this time with the youngest squad ever, but also provided 8 players in total for the Under 17 Joey's National Team and 4 ex-SASI squad members for the Under 20 Youth Squad.

Martyn's program worked to perfection and the incredible development of the young players during the season can only be described as outstanding.

Congratulations must be given also to John Evans, Chris Terpcou, John Brannigan and Sandra DiMello for their contribution and support for Martyn Crook.

Coaching: New Scheme and Coaching Courses

During 1998 the SASF conducted coaching courses as follows:

Level 1	12 Courses	185 participants
Level 2	1 Course	17 participants
Level 3	1 Course	20 participants
Goalkeepers	2 Courses	16 participants

During 1997/98 all clubs, affiliated bodies and coaches were advised of future changes in the coaching system and from January 1st 1999 these changes will take place. From the beginning of December, printed information was distributed throughout the State, to enable everybody to be aware of the new requirements. The Australian Coaching Council in conjunction with Soccer Australia finalised and approved the new scheme, which incorporates all the new courses, and informed the respective State Federations of all the necessary changes. Each coach registered with the SASF was informed by mail of the future requirements and how the new scheme will affect the licence system. Below are the new designated courses and licence nominations chart.

Summary

During the 17 years, I have been involved with this Federation, I have had the pleasure of working with many fine people and have been given the opportunity of working with and coaching thousands of players. The most rewarding thing of all is to see how soccer has grown from being an amateur game to what is today a very professionally developed game.

We need to be aware that not long ago we were not recognised anywhere in the world, but now after many years of development and hard work by many people, Clubs, Districts and Associations everywhere in Australia, our players are chased by professional clubs all around the world. South Australia have played a very important part in this success, with many players representing our National Senior Team and Olympic Team. During the last few years, our youngsters have also been represented in big numbers in our Under 17 and Under 20 National Teams.

I would like to thank the many Coaches, Instructors, State Coaches, Managers and Trainers, as well as Clubs, Districts and Associations for their support and hard work toward achieving success in South Australia over the years.

My thanks to Aaron and Emma for their excellent work during 1998, Dallas for her much appreciated help with the computer, Richie Alagich and John Gibson for their professional job done in the schools and administration duties. To the rest of my work mates thank you very much for your support and especially to my friend and right hand man Martyn Crook for the incredible amount of work he has done to make sure everything worked fine during the year. Finally I must make mention of the valuable support provided by the Commissioners, for all programs which have been initiated throughout the year, and especially to Jeff Widera for his time and words of encouragement during 1998. Their support is greatly appreciated.

Is your energy provider in any state to satisfy your national energy needs?

Unless you deal with us the answer is probably no. Being a truly national energy provider, we have 'people on the ground' in every state. With our ever expanding operations in the fields of natural gas, electricity and LPG, Boral Energy has the power to deliver on your terms.

SASI 1997/1998

MARTYN CROOK

The 1997/98 SASI squad will go down as the youngest on record with five fourteen year olds in the summer intake. This year has been the most productive in the five year history of the program, with success on both international and domestic fronts.

On the international scene eight players have been involved in Australian Under 17 camps during the year. Lucas Pantelis, Louis Brain, Matthew Milosevic, Aaron Goulding, Iain Fyfe and Paul Karittevlis represented the Joey's against Japan. Scott Tunbridge and Mimi Saric were also included in Australian camps.

The Australian Under 20 team went to the World Cup qualifiers in Western Samoa and eventually beat Fiji in the final to win a place in next years Cup. Anthony Breaden and David Terminello played in the final while Danny Vidakovic and Travis Dodd were in the final squad. Travis was badly injured in the preceding camp in Darwin and was unable to make the trip to Samoa.

The Sharks Nathan Wildy represented the Olympic squad on its trip to South America.

On the National League front former SASI players are beginning to make their mark with Nathan Wildy, Adrian Iandorio, John Cutillo, Aaron Westervelt, Danny Vidakovic and Elias Demourtzidis all representing the Sharks while Nick Sabljak, David Terminello, Anthony Breaden, Travis Dodd and Michael Pirone all played for the Zebras.

In the Premier League former Joeys' members Scott Carey and Robert Matosevic are performing well, while former SASI teammates Steve DeGiovanniello and Peter Varricchio were in opposition in the Grand Final between Birkalla and Croydon. Many other SASI boys are also playing in the first teams of their clubs.

This year saw the emergence of overseas interest in our young talent and several former SASI players have contracts or offers from overseas clubs. Sean Widera is with Hibernian in Scotland, Neil Childs has signed with Crystal Palace and Mike Saj-Rynes is with Opava in Czechoslovakia. Lucas Pantelis spent time with Werder Bremen in Germany and has been offered a contract while Louis Brain spent time with West Ham.

Neil Childs won a scholarship at the AIS and spent the year in Canberra. Liam Reddy, Lucas Pantelis, Elias Demourtzidis and Mark Graham have all accepted twelve month scholarships at the AIS. Four players in the AIS program is a record for South Australia.

During the year the players went through many varied training sessions and benefited greatly from different views on the games. Sessions were performed by National Coaches Raul Blanco and Les Scheinflug, SASF Manager, Coaching and Development Carlos Buzzetti, Sharks coach Adrian Santrac, International players Alex Tobin and Milan Ivanovic and SASF development officers Richie Alagich and John Gibson. A session by Australian International and Portsmouth player John Aloisi was a highlight and his frank description of life as a professional was appreciated by the players.

The team's performance's during the year were outstanding. In July the squad played a series of games in New Zealand in particular four games against the Kiwis national Under 17 team. SASI finished the series 3-1 victors with wins of 3-0, 2-1 and 5-1 while one game was lost 1-2. This trip, funded by the parents, was a highlight of the year and gave the young players valuable overseas experience. Two replacements needed to be made for the trip as Louis Brain was at West Ham and Mark Graham had won selection in an Australian Institute of Sport touring party. Campbelltown City's Sam Monterosso and Port Lions Dale Kirby came on the trip and both performed very well.

For the first time we qualified for the semi finals of the summer youth league and the last stage of the Under 23 Mutual Community cup, only to be beaten by Campbelltown 0-1 at Hindmarsh in the final of the latter.

In the Under 23 league we finished as minor premiers but lost the first semi to Croydon before beating Campbelltown in the preliminary final. The final at Hindmarsh was between the top two teams and SASI came through on the night 2-0. This is the third premiership in the five years of the program and the culmination of a great year. Testament to the youth of this squad was the fact that three fourteen year olds scored in this year's under 23 league with Fred Agius, Russell Waller and Thomas Radford all on target.

This year SASI introduced a coaching scholarship. The program is designed to enable young coaches the opportunity to work with elite players and to learn from the latest physical training techniques. The scholarships included a level three coaching course and a visit to the Australian Institute of Sport in Canberra to study the program there.

Duane Gray and Brenton Hiern were the two coaches and both proved to be a big asset to the squad.

During the year several clubs sent delegations to view the training sessions and this was a very successful exercise. Coach education is a high priority and SASI is very keen to continue this service as well as the scholarships.

Congratulations must go to Zoran Maricic, Terry Hayes, Brenton Hiern and John Mundy, the four SASF regional coaches. Their work has produced a significant improvement in the quality of the young players in the development squads. Zoran and Terry both had successful national championships where SA players compared favourably with players from around the country.

Many people have contributed to the success of the program and are to be thanked for their commitment.

To the SASI organisation in particular Director Wes Battams, Sports Plan Manager Terri Lamoree and sports science coordinator Evan Stillwell. During the year SASI provided the scholarship holders with great support which included dietary assistance and lectures in time management as well as dealing with the Media. The sports science section of SASI is world renowned and boasts such members as Neil Craig and Pete Bourden. Their contributions towards the physical preparation of the players is outstanding and holds the boys in good stead even against the best in the world.

Thanks must go to Les Avory and the Board of the SASF with particular mention to General Manager Tony Farrugia for their support of the program and to the clubs for allowing their players to make full use of the SASI program while pursuing their dreams of a professional career.

Once again the SASI squad staff have worked tirelessly during the year. Assistant coach John Evans, Goalkeeper coach Chris Terpcou and Trainer Sandra DiMella all contributed greatly to the success. Manager John Brannigan made sure everything ran smoothly and his hard work and dedication to the program is greatly appreciated. SASF Manager, Coaching and Development Carlos Buzzetti continues to have a big influence on both the program and on my individual development as a coach.

Finally to all the players and their parents whose commitment and support has helped to make this a great year.

OFFICE FOR RECREATION & SPORT
DEPARTMENT OF INDUSTRY & TRADE

JEFF WIDERA – COMMISSIONER

Twelve months ago, I reported that junior soccer in South Australia was very much in a state of transition. Further, I indicated that the SA Soccer Federation was in the process of planning and implementing some of the most ambitious policies ever aimed at raising the standards of junior soccer in this state.

I am delighted to report that in the past twelve months, the developments in our code both at junior club and elite levels have been nothing short of phenomenal.

It is staggering to note that in excess of $400,000 has been allocated to junior competitions and development programs in the last year. A true testament to the very real and pro-active commitment of this Federation to junior soccer.

For this level of support, thanks must go to the Board of Commissioners, the General Manager of the SASF and his ever supportive Federation staff.

Streamlining of the Administration of Junior Competitions this year, has largely been attributable to the professionalism of our Juniors Programs Manager, the Junior Premier League Management Committee and the Commissioner of Junior Competitions.

Together, these people have achieved an enormous amount, in the elevation of junior playing standards, through the provision of league competitions of outstanding quality, as well as the State Championships, which indeed proved one of the highlights of the season.

The excellence of our Junior Programs was further advanced in this past year by the appointment of

Evan Metanomski (left) and Luke Deegan (centre) in action for SA against NSW in the National U15 Championship Final.

highly credentialed development coaches, each responsible for player and coaching development in specified regions, as well as co-ordinating elite youth squads and state teams.

The development program was even further enhanced by the appointment of two area coaches, one each in the Riverland and Western Border Districts, with responsibilities similar to those of the Regional Coaches.

Our State Teams performed creditably in the National Talent Identification Championships, conducted at Para Hills Soccer Club, with our Under 14s just missing out on the finals phase of the competition, whilst our Under 15s distinguished themselves finishing runners-up.

The National Talent Identification Championships truly represented a feather in the Federation's cap, with wide acclaim coming from all states for the outstanding manner in which this significant event was staged.

Our SASI program continues to be the jewel in the crown of our development program. The Head Coach, his staff and the Manager of Coaching and Development are to be congratulated for their part in the maintenance of a program of consistently high standard.

The SASI program continues to produce not only outstanding results in local and international competitions, but more importantly, is instrumental in developing high calibre playing personnel for State and Premier League senior teams, National League Clubs, National Representative Teams, and even some prominent overseas clubs.

Without doubt, the range of opportunities for our youth players has never been wider nor more exciting. There is simply so much for our youngsters to aspire to and play for. The horizons are indeed limitless.

I can say with all confidence, that the Federation clearly recognises the significance of these opportunities for our young players, and will continue to work hard towards providing the necessary resources and levels of commitment to ensure continued growth and development.

JUNIOR PROGRAMMES 1998

AARON GUTHRIE – MANAGER

1998 saw the implementation of the recommendations of the Harlow Report. This represented a significant commitment by the SASF Board to provide much needed resources to Junior Soccer in South Australia. To this end, I was appointed in December 1997 to implement and manage the new Junior Development Programmes.

This has proven to be a very challenging task, yet it has also been very rewarding seeing the programmes come to fruition.

The Junior Premier League continues to provide our States most talented junior players with the opportunity to play in a competitive environment on a weekly basis. Many NSL and Australian representatives have come from the Junior Premier League, and will undoubtedly continue to do so in coming years.

This year saw a significant improvement in the programming and administration of the League. With most age-groups playing 22 League games and up to 6 Cup games, programming of fixtures proved to be an arduous task, however they were managed more efficiently than in previous years.

The 1998 Junior Premier League Cup Competition saw the introduction of a World Cup style format, whereby teams were placed in groups of 4, with group winners progressing to the Quarter Finals.

This proved to be a very popular format with the Clubs, particularly as it gave teams a second chance should they lose their first game. This guaranteed teams at least 3 Cup games, as apposed to potentially being eliminated in the first round of a knockout format.

The Cup Finals at Hindmarsh were one of the highlights of the 1998 playing programme. With players from 11 to 17 years of age participating, it presented a rare opportunity for these players to play at the home of soccer in South Australia.

Hindmarsh Stadium also hosted the finals of the 1998 Smartplay Junior State Championships. This event saw over 350 players from Under 11 to Under 15 compete in two days of competition at Para Hills Soccer Club. Whilst the Championships were dominated by the Federations zone teams, the Riverland and Western Border Associations teams also participated, and did their Associations proud with some excellent performances.

The Para Hills Soccer Club should be commended for their efforts in contributing to the success of the Championships. This was recognised by the SASF in its decision to ask Para Hills to host the 1998 National Talent Identification Championships for Under 14's and Under 15's.

The Nationals brought together over 300 players from all States and Territories, State ITC Coaches, and National team selectors including Les Schienflug, as the players sought selection in the Under 17 Australian squad.

The significance of this event was emphasised through the attendance at the Championships by scouts from several NSL and overseas Clubs.

The South Australian soccer community can be proud of the success of the Championships. Feedback from Interstate and from Soccer Australia confirms that these Championships were one of the best organised and administered events in recent years. Accordingly, a sincere thank you must be made to Jeff Widera, the Championship Organising Committee and the Para Hills Soccer Club for dedicating their time to ensuring the success of the event.

Our younger players also enjoyed the opportunity to play at Hindmarsh in the Under 10 Little League Competition, conducted during the Premier and State League Top 5 Series. This was a huge thrill for all participants, with South Adelaide running out eventual champions. I for one will never forget the nervous energy and sheer enthusiasm by all players, in what was no doubt the highlight of their short careers.

As we approach the Olympic year of 2000, the SASF has further demonstrated its commitment to Junior Development through the appointment of Alex Tobin as the Ambassador of Junior Soccer in South Australia. Alex will work in promoting the game through the schools and will have a significant role in providing a high profile identity for junior players.

I have worked closely this year with the SASF's Manager, Coaching & Development in implementing various components of the Junior Development programme, including the appointment of Regional Coaches and implementation of the new National Coaching Scheme.

The work of our 4 Regional Coaches with Local Clubs and State Development squads has had a significant impact on our ability to identify and develop our players with potential to advance their soccer careers. Combined with the work of our Development Officers at school level we now have a level of resources capable of promoting and developing our game at all levels.

Area Coaches have also been appointed to the Riverland and Western Border Districts to continue this development process in the Country regions. The participation of our country affiliates in our programmes is crucial to the overall development, promotion and expansion of soccer throughout the State. Our affiliates must be commended for their foresight in deciding to be a part of the Federations programmes.

More work will be required in 1999 to build on the foundations that have been laid with the Country affiliates in 1998. A bigger challenge lays in convincing other Associations to also become part of our programmes. Our ongoing discussions with the SA Junior Soccer Associations Inc. are encouraging, and I look forward to successfully negotiating a package which the Associations will embrace.

1999 promises to be even bigger and better than 1998. Whilst we continue to implement our programmes and administer the Leagues, new projects are also on the horizon. The reintroduction of School Holiday Clinics and the establishment of Development Centres for Under 8 players are just two of the new projects on the drawing board.

All Clubs will be given the opportunity to host School Holiday Clinics in conjunction with the SASF. The SASF will provide promotion and advertising of clinics, particularly in the schools, in an effort to foster closer relationships between Clubs and schools in the local areas.

Development Centres for under 8 players will also be established at (probably) 4 centres around Adelaide, North, South, East and West of the City. This will provide a valuable opportunity to introduce players as young as 6 to soccer in a friendly, non-competitive environment. Centres will incorporate Modified Rules games and Coaching sessions with involvement from our Regional Coaches and guest appearances by NSL players.

Further improvements to the administration of our Junior Programmes are also planned for 1999, and to this end the SASF Board has approved a major upgrade of our database and IT systems. This will provide us with the capacity to report on all aspects of information in the database, as well as providing Internet and E-Mail capacity.

Preliminary team nominations for the 1999 Junior Premier League season indicate a 30% increase on 1998, to 190 teams. Whilst this will further test our administrative capacity, I am confident that the foundations laid in 1998 will place us in a strong position to deliver a dynamic competition in 1999.

Finally, I must thank the SASF Board, Staff, Clubs and the soccer community at large for welcoming me to the soccer family in 1998, and I look forward to further developing these relationships in 1999 and beyond.

SA SCHOOLBOYS SOCCER 1998

JOE LARECKI – MANAGER

The National Schoolboys Soccer Championships took place in August 1998 in Brisbane, and South Australia not only had a very successful tournament but also created history by winning the boys trophy for the first time.

The success was due to a number of factors. The squad was well balanced, highly motivated and formed a close knit unit which fostered positive team spirit, which had every member pulling in the same direction for the good of the team.

The squad was talented, fit and genuinely committed. The team played good entertaining soccer, with purpose, flair and spasmodic individuality when required, portraying a feeling of state pride and a desire to be successful.

Full credit must go to these lads for an excellent performance.

Josh Christison was the inspirational Captain who led from the front. His leadership qualities and commitment to the cause was always evident and appreciated. His two deputies, Michael Keens and John Hopkins were supportive and positive.

Josh Christison was awarded Player of the Tournament and he, together with Shane Pearce, Sam McMillan and John Hopkins were selected for the Australian Schoolboys Squad. Ryan Mitchell and Russel Deeley were selected in the Shadow Squad.

SA STATE TEAM

TESTING TIMES

The SA State Team played three official games in 1998, all against Japanese opponents.

Japans National Team
Nagoya Grampus Eight
Sanfrecce Hiroshima

The Officials for the three games were:

Coach:	Bohdan Nyskohus
Team Manager:	Denis Harlow
Trainer:	Paul Wilkinson
Gear Steward:	Joe Janko
Doctor:	Tom Mittiga

The first game was against the Japanese National Team who were in Adelaide for a training camp before their departure for the world cup finals in France.

The State Team was a combination of Premier League, State League and Adelaide Sharks NSL Players and the game was played at Hindmarsh Stadium with a 6pm kick-off.

The game itself was slightly unusual as the Japanese requested the game be played over 3 x 45 minute periods due to their build up for the World Cup.

SA agreed to this request but it was a real testing time for the players to play at such pace over a lengthy period.

The Japanese side was extremely fit and very fast with Hidetoshi Nakata and Takashi Hirano causing most of the problems for the State players.

The players performed extremely well under immense pressure but still managed to carve out some openings in the Japanese defence with Luis Rodrigues going close and Nathan Day hitting the side netting.

Daniel Menechella, Rick Cerracchio and Greg Mills performed well in defence with Captain Paul Simmons constantly trying to push forward. Nathan Wildy in goals pulled off a magnificent save to thwart Wagner Lopes.

The Japanese side played exciting and fast soccer which entertained the spectators, including a contingent of Japanese supporters.

The second game, against Nagoya Grampus Eight, was also played at Hindmarsh Stadium but with a 5pm kick-off, and as a curtain raiser to the Adelaide Sharks v South Melbourne game.

This was an excellent game, very fast and first class soccer, with both sides having many chances to score, Joe Barbaro and Luis Rodrigues caused the visitors all sorts of problems with Joe Barbaro eventually scoring in the 21st minute.

The outstanding player for Nagoya was Dragan Stojkovic who continuously set up his team mates with excellent passes.

Daniel Menechella stopped everything that came his way and Rick Cerracchio also dominated along with Paul Simmons.

The third game against Sanfrecce Hiroshima was also played at Hindmarsh Stadium with a 4.30pm kick off as a curtain raiser to Adelaide City v Sydney Olympic.

This was a strong, fast, hard fought game with a lot of chances to both sides and SA was in the hunt to win this game right down to the final whistle. The final score of 2-0 to Sanfrecce Hiroshima really didn't do justice to the SA performance.

Rick Piotrowski breaking away for SA against Japanese J-League side Nagoya Grampus Eight.

Sanfrecce Hiroshima got off to a flying start with a goal in the 7th minute when Susumu Oki hammered in a rebound off SA goalkeeper Robert Matosevic.

Hiroshima scored their second goal in the 91st minute of the game when Graham Arnold headed in a cross from Mitsuaki Kojima.

In between these two goals, SA and Hiroshima both had chances to score but in the last 20 minutes, while the score was still only 1-0 in Hiroshima's favour, SA had the chance to score about six goals.

Greg Mills missed with a header, Theo Anastasiou hit the bar with a header and then shot wide, Michael Cartwright had two good chances along with Joe Barbaro.

Overall the SA players played exceptionally well and Eddie Thompson, the coach of Sanfrecce Hiroshima and Ex-Australian National Coach, was greatly impressed by the performance of the SA team.

The spectators certainly liked what they saw and gave a lot of encouragement to the SA side.

History of Referees

The early players didn't need a referee! They were gentlemen, and any dispute could be settled by the two captains.

Of course, this idyllic state of affairs couldn't last, especially when competitive soccer in the form of the Football Association's Cup came along in 1872. By this time, it had become the practice for each team to appoint an umpire. These two gentlemen then ran about the pitch, keeping an eye on matters. They had no right to interfere with the game, but could be "appealed to" by the players, just as in the game of cricket today. They were given the power to award a free kick for handball in 1873, and for other offences in 1874. Also in 1874, umpires could send a player off for "persistent infringement of the rules".

It is not surprising that occasionally the two umpires could not agree on a decision, and so the need arose for a neutral observer, the "referee". The first mention of the referee occurs in 1880. He was appointed by mutual agreement of the two clubs. He was required to "keep a record of the game" and act as timekeeper. He had the power to caution players who were guilty of ungentlemanly conduct, without consulting the umpires (though any such caution was made with the umpires present). If a player continued to transgress, or was guilty of violent conduct, the referee could send him off and report him, even if the player offered an apology.

The referee was given greater powers in 1889/90, when he was allowed to award a free kick for foul play without waiting for an appeal. It was only at this point that I suspect he needed a whistle! The well known story that the referee's whistle was first used at a Nottingham Forest v. Sheffield Norfolk game in 1878 seems not to stand up to scrutiny! Forest didn't play Norfolk in 1878, and the referee had no need for a whistle anyway!

Not until the 1891/92 season was he finally given the powers he has today, and allowed onto the field of play. The two umpires now assumed the role of linesmen, or "assistant referees" as we have to call them from 1996 onwards!

Futsal – The FIFA approved and endorsed International 5-a-side indoor game in South Australia has been progressing steadily in the past twelve months with three Senior Competitions and a High School Competition. These Competitions which were held at the Magill University Campus, the Campbelltown Indoor Sports Stadium and the Flinders university have attracted Top Premier, State, and Amateur League players, which has helped to develop the game and provide a very high standard of competition.

Last year Futsal was introduced to the Schools and the Elizabeth/Fremont Hight School twice held an Outdoor Futsal Lightning Carnival which attracted over 250 High School students from all parts of Adelaide and Country areas. The success of these Carnivals, could develop to the stage where Futsal may be played in the schools on a regular basis.

Everyone is talking about the game of Futsal and if you haven't as yet experienced this exciting and highly skilled indoor game, go to your nearest Futsal venue for a preview.

A South Australian Representative Futsal team, "The Adelaide Force" took part in the televised Alitalia Futsal Challenge in Canberra in 1998 and under the leadership of Coach Tony La Scala, finished a creditable third, going down to eventual winners ACT in the Semi-Finals.

You don't have to be a Ronaldo or a Romario to play Futsal, you just have to have a passion for Soccer in general. The rules are very similar to the outdoor game and after playing the game for a short while, your skill level will certainly improve. I'm sure that Goal Aces Jason Trimboli (WT Birkalla) and Danny Pitucci (Enfield City) have benefited from Futsal judging by their achievements last season.

The game of Futsal offers players immediate ball skills improvement, maintains fitness levels all year round, and an opportunity to represent your State and also the opportunity to represent Australia at International Competitions and the FIFA Indoor World Championships.

SHIRLEY BROWN – PRESIDENT

Women's soccer has grown enormously over the last twenty years. There have always been girls and women keen to play the game, and indeed there were 3 teams formed back in 1971. But times have certainly changed – what was once considered a novelty or the domain of men has slowly gained acceptance as a legitimate sport for women.

Those commencing in the sport now have opportunities that us "oldies" could only dream of. For the first time we have full-time scholarship holders at the Australian Institute of Sport, and for the talented few the chance to earn a living by playing overseas. On the domestic front the local competition has grown in numbers and stature. This year saw the domination of Sturt Marion come to an end and usher in a new era of competitiveness amongst SA's premier women's teams.

The development programs and initiatives we have in place in SA are starting to reap rewards – for a small state we have achieved remarkable success in the last few years at national level. Our best players at all age levels from under 14 to Masters with their dedication and talent can be a wonderful inspiration to all players.

It is great to see the support and recognition women's soccer has gained from the wider community. Many clubs are providing facilities and coaches to give female players the same opportunities as males to develop their skills and increase their enjoyment of the game. Schools are providing hundreds of girls the chance to learn soccer skills as well as those of traditional female sports like netball. There are also clubs who have grown independently and created their own identity. SAWSA is a more dynamic organisation because of the diversity of our membership and our appreciation goes to the people behind the scenes that make it possible for our 50 teams to play each weekend.

This year we have also seen an increased number of our most experienced players turn their hand to coaching – it is great to see them passing on the benefit of many years in the game. I must also pay tribute to SAWSA's hardworking staff, Wendy and Kristy, the volunteer efforts of the Management Committee and the staff of the state representative teams, along with the contributions of Club delegates. All of us who have contributed in the past can take pride in the achievements of SAWSA over the last twenty years.

There are challenges ahead as SAWSA like many other sports organisations struggles to meet the needs of its members with limited resources. Gone are the days when the SAWSA competitions can be provided by only a small group of volunteers. We must take a professional approach and our structures are being adapted to do so with valuable input from club delegates. There are also some great opportunities ahead – we can all look forward to watching Australia compete in the 1999 Women's World Cup in America, and the subsequent media attention focused on the Matildas as they compete in the 2000 Olympics in Sydney.

But no matter at what level we play, coach or support, it all comes back to one fundamental thing – enjoyment. For some winning is the primary motivation, others socialising is more important. Both are equally valid reasons for participating. Soccer gives us all the chance to achieve satisfaction and I hope that SAWSA, with your help, will continue to do so for many years to come.

SA'S WOMEN'S SOCCER REVIEW '98

WENDY CARTER – EXECUTIVE OFFICER

Well, what a year! In 1998 SAWSA celebrated its 20th Anniversary and the success that has been achieved by our players has certainly ensured that it will be a year to remember.

The success of 1998 started in March when Sharon Black was awarded the inaugural Julie Dolan Medal. This medal was awarded to the Player of the Year from the Ansett Australia National League. Sharon won by one vote from her fellow Australian team members, Katrina Boyd and Lisa Casagrande. It is a great feeling to know the best player in Australia is a South Australian.

It was a case of oh so close but yet so far for our national league team in the Ansett Australia Women's Soccer National League. once again South Australia reached the final of the national League but once again had to be content with second spot. The team losing in extra-time through the golden goal rule to NSW.

At the completion of the National League everyone around Australia waited in great anticipation for the announcement of the inaugural Australian Institute of Sport Squad, the squad that would take Australian women's soccer towards the 1999 World Cup and the 2000 Olympic Games. The inclusion of Sharon Black and Kristyn Swaffer in the twenty was of no surprise to most people, but South Australia's third inclusion may have surprised a few people.

Natalie Thomas, the bolter from Broken Hill, stormed on to the soccer scene in South Australia only two years ago but what an impact she has made. Those who have seen her in action knew that her move to Canberra was always a possibility in the future but her performance in the National League ensured it was sooner rather than later.

The SAWSA Leagues kicked off in late March with yet again a growth in the number of teams. More teams in the Under 14 League and more teams in the Open Age Competition. The increase in the number of teams ensured that a Division 4 League was established for the first time.

The increase in the number of teams and players is a reflection of the increase in popularity of soccer for females. Not only are numbers increasing in SAWSA's leagues but more and more schools are conducting teams in school based competitions. The aim is now to link these players in school competitions to the SAWSA leagues and to provide girls with the information and opportunity to progress from school soccer to club soccer.

In July the Under 16 State Team went to compete in the Australian Women's Soccer Association (AWSA) Junior National Championships on the Gold Coast. South Australia went into the championships as 1997 champions and were keen to repeat their performance. New South Wales and Northern New South Wales re-entered the championships after being absent for a number of years and were expected to strengthen the competition.

The inclusion of these two teams made no difference to the South Australian supremacy, as they went on to defend their title and win back to back championships. The All-Stars team was selected following this tournament with five South Australians making up the squad of eleven players.

The close of the SAWSA season neared and it was obvious that after five years, there would be new Premier Division Champions. Modbury Jets who boasted a team of very young and talented players not only took the title away from Sturt Marion but also went on to ensure that the same team came runners-up in the Bailetti Cup. Modbury Jets had completed the League and Cup double for 1998, thus ending Sturt Marion's grip on the Premier League after five years.

Congratulations to Lia Augimeri who was awarded Referees Choice for the most outstanding player in the Premier Division. This award has been won by some of South Australia's most talented players and Lia is no exception. Congratulations to all of the teams who won their league and cup competitions and to all of the individual players who won awards.

Although the SAWSA leagues finished in early September the highlights for SAWSA continued. The Under 19 State Team made history by winning the AWSA Youth Championship, the first time South Australia had won this title. It was a wonderful performance by a team who would not have accepted anything less than the title.

Congratulations to Jessica Halfpenny and Kimberley Morris for being selected in the Australian Youth Team. Dianne Alagich was also selected but was unable to accept her position due to personal reasons. These players toured Europe in October.

Following the success of the Under 16s and Under 19s, the Under 14s and Masters State teams competed in NSW and the Gold Coast respectively. Both of these teams won their championship, South Australia conducted five State Teams in 1998, with four of these teams winning championships. What a year for South Australia.

This year has certainly been very challenging, one that was made easier due to the appointment of a Sports Administration Trainee. Kristy Moore was appointed to this position in March of this year and she has certainly excelled in the position.

Kristy has had the opportunity to develop skills in administration and coaching with Kristy being an ideal role model for SAWSA to use during development and promotional activities. Kristy's contribution to SAWSA has been by far above what has been required of her and I would like to thank her for the commitment and dedication that she has given to SAWSA.

Although many people are not privileged to the work that goes on behind the scenes at SAWSA, I would like to acknowledge the hard work of the SAWSA Management Committee. All of these committee members volunteer their time to enhance and develop SAWSA. I look forward to working with these people in 1999.

I would like to extend a special acknowledgment to all of the club delegates. These people commit a lot of time to ensuring that there is a link between SAWSA and their club. At times it is a thankless task but one that is appreciated by SAWSA. I look forward to working with all of the clubs in 1999 and making next year bigger and better than 1998 if that is possible!

Women's soccer is at a very exciting stage not only here in South Australia but nationally. The Australian Women's Soccer Team, 'The Matildas', recently qualified for the Women's World Cup to be held in the USA in June-July of 1999. Expectations are high for the team to do well and hopefully we will see at least three South Australians in action.

The inclusion of 'the Matildas' in the World Cup and the Year 2000 Olympic Games will help to further increase the profile of women's soccer in Australia and South Australia. Women's soccer now offers females the opportunity to participate at the highest level and the challenge is now to continue to offer players the services they require.

SUNSMART NATIONAL YOUTH LEAGUE

RODGER KING – ADMINISTRATION MANAGER

Once again the South Australian division of the National Youth League, sponsored by SunSmart, has proven to be an outstanding success. The formula that has been employed in the last couple of years (an 8 team competition played on neutral grounds) was again used, with all teams getting a run on Hindmarsh Stadium as a curtain raiser to the Ericsson Cup.

As we look back on the Home and Away Series, West Adelaide proved to be the most consistent winning the minor championship. They go into the Top 4 Series as the favourites to represent South Australia in the Southern Division Championships against the Victorian Champions.

The SASI boys finished runners-up to the "Sharks" and in fact were the only team to beat West Adelaide all year. Martyn Crook is developing another fine group of young professionals.

Adelaide City finished third, after starting well, but fell into a slump after being beaten by SASI in December. With the depth of talent available to the club it would be foolish to write them off as potential champions.

Western Strikers and Blue Eagles fought it out for the fourth spot all year, with the Strikers just finishing in front when it counted. They're just a couple of players short of going all the way. Modbury struggled all year with a very young side supplemented on occasions with some "very old" heads. The young lads will be better for the experience. Raiders were welcomed back into the competition after a two year absence. Their expectations were high, playing with some regular first team players, however, luck went against them in most of their games.

In keeping with the policy of the SASF, to promote, develop and foster the game, South Adelaide Panthers were admitted for the first time. This is their first taste of Senior Football. Although they were not completely overawed, their youngsters do have a lot to learn and Senior Coach Ray Blair we're sure will lift them in time for the forthcoming Senior Season.

Again this year each of the teams competed vigorously and we are pleased to report that in all of the 112 games played only 1 player had to appear before the Disciplinary Commission. Every club and player must be congratulated on a job well done. The Referees also used this competition to gain valuable experience for their up and coming young Refs, they also did a fantastic job in some very competitive games.

A decision will be made in May/June on the 1999/2000 season.

LEN ALAGICH MEMORIAL NIGHT SERIES

This very popular and exciting series was again conducted at John hart Reserve (Pirate Park) and the competition was keenly contested.

Croydon (Kings) were the eventual winner beating the Pt Adelaide Lion (Pirates) in the final 2-1 after beating the Adelaide Blue Eagle in the semi-final 3-2.

The Pt Adelaide Lion Soccer Club greatly appreciates the support provided for the series by the Stillwell Group, Mutual Community, Bailetti Sports, Coca-Cola, Coast FM, Radio RTI, Lotto, Carlton United Breweries, SA Referees, South Australian Soccer Federation and all those who gave their time from the club.

The weather was extremely kind during the month of February which contributed to the generous number of spectators which attended the games.

Thank you to everyone involved and hope to see you at the next series in February 1999.

A-LEAGUE OVERVIEW

VAL MIGLIACCIO

It seems that the last Ericsson Cup season before the new millennium has most of the A-League clubs in a hurry to change in order to attract a bigger slice of the soccer public and to re-market their traditional supporter base.

Both of the Adelaide clubs, Adelaide Sharks and Adelaide City Zebras heralded a new era in the sense that they would be privatised pre-season. Deals of privatisation continued in January with Carlton about to be taken over by a new consortium. Newcastle has been under scrutiny by a leading Sydney businessman and Sydney United was in the receiver's hands and were a weekly proposition.

The season kicked off in early October with the Northern Spirit which was a brand new Sydney based club, attracting the harbour's North Shore soccer fanatics.

The Spirit recruited heavily with players such as former Socceroo's Graham Arnold (player/coach) Robbie Slater and former Tottenham and England international Ian Crook. Employing Australia's most marketable teenager, Leeds United's Harry Kewell the Spirit embarked on an aggressive marketing campaign trying to awaken the sleeping Sydney soccer market.

Northern Spirit's big test arrived on 9 October, 1998 when they were able to create history in their inaugural Ericsson Cup fixture against Sydney Olympic at North Sydney Oval. A twenty-two year old A-League record was broken when the Spirit attracted 18,985 parochial fans and even though Spirit lost 0-2 the crowd seemed to enjoy soccer coming alive.

Adelaide Sharks had an ominous away record in the 1997/98 season with only one win. The Sharks kicked off their season with a flourish travelling to Canberra and taking the Cosmos 3-1. Shark's coach Manfred Schaefer acquired defender Paul Souris (formerly with Marconi), Derek Poimer (Sydney Olympic) and John Gibson (Adelaide City), with Hamilton Thorp returning from Portsmouth (England). The Sharks were playing some inspirational football up until Round 11 with great victories over Olympic (4-1), Wollongong (5-0) with South Melbourne and Carlton lucky to escape, both recording 1-1 draws. At home the Sharks were virtually unstoppable and in Round 10 they even recorded their first victory at Knights Park since 1986 when they defeated the Melbourne Knights 1-0.

Round 12 was the game all of Adelaide was waiting for, the local derby, Adelaide Sharks vs Adelaide City Zebras with the Sharks, despite history, touted as favourites to win. Hindmarsh Stadium was a sell out that Sunday at 6pm, two hours before the kick off, and although Hindmarsh's capacity was reduced to only 8,800 due to the redevelopment many soccer pundits thought that the match could have attracted 15,000.

In a lop sided encounter the Sharks fell heavily to their cross-town rivals Adelaide City (5-0). For some inexplicable reason the Sharks never recovered and then struggled to find form in the next five matches, gaining only one point against lowly Canberra.

Adelaide City Zebras hailed the return of Zoran Matic as coach after the master was away for three seasons with jobs at the failed Collingwood and Marconi.

Damian Mori (Adelaide City) (Stripes) trying to break through against Melbourne Knights.

The Zebras commenced their season with the signing of Carl Veart back from Millwall (England) and Korean import Dongi Ki Kim. Perth came to town in Round 1 and the Glory nullified the Zebras in a frustrating match winning 1-0. Carlton was the next stop and the Blues thumped the Zebras in Melbourne 4-1. The Zebras recorded their first

victory in Round 3 at home against the Knights (3-0), but were still not convincing. Matic made some harsh remarks about his teams away efforts with the black and whites going down in three consecutive away matches after succumbing to goals within the first 20 minutes.

The Zebras played a once in a lifetime nightmare match against Sydney Olympic in Sydney losing 2-1. It seemed to be the wake up call needed for the Zebras as they travelled to Perth the following week and won 2-1, followed by a historic first up win against Carlton (3-0) at Hindmarsh Stadium. For the last decade the Zebras are always expected to make the Top 6 and any less would be deemed a failure. At the halfway point of the season Adelaide City are right on track for another shot at the title.

South Melbourne the reigning Ericsson Cup champions continue to excel with another outstanding season. South have simply stuck to the task of winning and despite losing defenders Con Blastis (injured) and Tansel Baser (Turkey), they remain hot favourites to take out their second successive Premiership.

Eddie Krncevic coach of Carlton now in his second season of coaching has again proved that the Blues are worthy of challenging for the title. Carlton although they have lost regulars John Markovski, Robert Trajkovski (both Perth Glory) and Vince Grella on loan to Italian Serie A club Empoli still manage to capture Aussie soccer fans with their authentic style of building from defence, with quick counter attacks. Brazilian Alex Moreira who played alongside Ronaldo in his youth is an added bonus scoring plenty of goals and is a joy to watch.

Alex Castro (3) and Paul Souris (5) (Adelaide Sharks) closing in fast against Brisbane.

There was early talk of Perth Glory seriously challenging for the crown after they breezed through the first 8 rounds undefeated, which was until Newcastle burst their bubble. The Glory is now on the level terms vying for a top 6 spot and they still manage to captivate a huge gallery at home.

Branko Cullina coach of Sydney Olympic must be wondering how his team can display such a vast array of erratic form. Olympic at times look so good with a well balanced side destroying capable teams. But when the Sydney boys are off beat, close your eyes. It's a problem, which has dogged Olympic now for many seasons, and unless Cullina can address the problem another disappointing season is in store.

It has been said that unless you have a near professional side, you can't compete in the Ericsson Cup. David Mitchell player/coach of Sydney United makes no secret of the fact that United train solidly twice a week with maybe a light Saturday session. What a remarkable achievement that Mitchell is able to get the best out of the young talent, which is willing to listen to Big Mitch's every word. "Old Timers" Velimir Kupresak, David Barrett and Mitchell add the experience to United and don't be surprised if Mitch can bring poor United the Premiership.

Frank Farina returned to his old club Marconi as coach and the Stallions bolted from the starting blocks at an alarming pace. After hitting a purple patch Marconi have had a string of negative results in January putting themselves under pressure for a place in the Top 6.

Unfortunately every league has its' strugglers and this season there is a couple of new teams to the group. Wollongong after making the top 6 last season have failed to ignite the spark where they left off and the Wolves after recruiting Michael Brooks, Les Pogliacomi and Kosta Salapasidis from Adelaide City are already rebounding for next season.

One of the most successful teams of the early '90s the Melbourne Knights are only a shadow of what they once were. Knights Park is still a tough away trip for most Ericsson Cup clubs, but when the young Knights travel, points are hard to come by. Vid Horvat coach of the Knights resigned in the middle of January for various reasons and for the Knights to recapture their Australian dominance, the foundations must be re-laid.

Travelling teams call it the Valley of Death, the trip down to the La Trobe Valley to play the Gippsland Falcons. Under Scotsman Stuart Munro the Falcons showed early promise but lack a genuine striker. With a small budget the Falcons can sometimes excite the country supporters, but unfortunately it is all too few and far between.

Poor Canberra Cosmos couldn't take a trick losing the first 13 games straight until they snatched a point from Gippsland. A week later the Sharks were embarrassed at home in a 1-1 draw, then they had the Newcastle Breakers dropping their pants when they finally broke through for their first win of the season in an emphatic 3-0 victory.

It happened on Australia Day and Canberra must have had most of Australia cheering the victory. It's now back to reality and the Cosmos under new coach Tom Sermanni after Rale Rasic resigned will still find it difficult to string more victories together in the Ericsson Cup.

VAL MIGLIACCIO

History was made at Hindmarsh Stadium on a wet Friday the 11th of September when West Torrens Birkalla won their first Premiership since 1952. Forty-six years without the big one is a long time and the Birks outclassed a tough Croydon Kings to win the Championship in the golden goal extra time, 1-0.

Six thousand five hundred fans witnessed a soccer extravaganza in the slippery conditions with both clubs having long and proud traditions. The Kings had an amazing season winning promotion from the State League in 1997 and then having a shot at the biggest prize in South Australian soccer.

Birkalla's diminutive striker Frank Sergi was the goal hero when he lunged at full stretch to meet the ball to head past the unlucky King's keeper George Yatzis. Birkalla coach and former Socceroo Charlie Villani took the victory all in his stride, he knew what a Grand Final victory would mean to his outstanding club and their supporters. Villani had been there as a player, that time on the national stage when he almost single handedly brought the Adelaide City Zebras their first National League Premiership in 1986 with one of the greatest individual Grand Final performances of all time.

In 1997 the Raiders killed off the dreams of Birkalla in the Grand Final, in 1998 the Birks ended the dreams of the Kings. Charlie Villani had Birkalla working like a well-oiled machine with stout defender Greg Mills revelling in another great season. Birkalla's Jason Trimboli was pumping goals in at will and took out the Lotto Golden Boot as the Premier League's leading goal scorer for his efforts.

Daniel Menechella (Campbelltown) (left) closing in fast on Frank Sergi (WT Birkalla) (centre).

Birkalla scooped the pool at the South Australian Soccer Federation awards night with Villani winning Coach of the Year and the best midfielder in the Premier League, Lachlan Campbell taking out the Sergio Melta Medal, which came as no surprise considering the amount of times Campbell had been the driving force behind Birkalla's success this season.

Joel Porter the Kings striker was the name on everybody's lips after he ripped apart the Blue Eagles with a hat-trick in a 3-2 victory in Round 2 at Polonia Reserve. Porter along with his older brother Shane were expected to be the men behind the Kings staying put in the premier League. Master coach Jan Kierno animated at the best of times managed to bring the foremost out of the Kings with almost the same squad that won them the Premier League promotion in 1997.

Young Joel Porter succumbed to an injury early in the season, but when he did come back in readiness for the finals he managed to attract the eye of Sharks Ericsson Cup coach Manfred Schaefer. Porter is now a Shark and the Kings must be proud to have one of their stalwarts making the next step up. A goal by Porter in only his second match for the Sharks against Perth Glory thrust him into the national spotlight.

Campbelltown City made their mark again in the Premier League with yet another coach, Mario Boffa being told he is no longer required after taking the Red Devils to third position. The Red Devils had a wealth of talent with the three Menechella brothers, Michael, Daniel and David holding the defence firm. Carlo Talladira made a welcome return to South

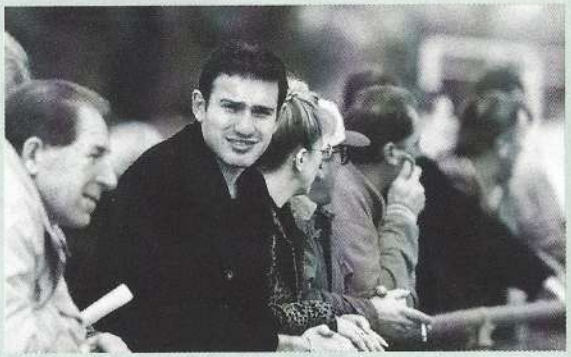
Australian soccer and his form saw the red head being recalled to the Adelaide City Zebras. The Red Devils finally lost the race for the Grand Final in a powerful Preliminary Final defeat against Birkalla (1-2).

White City Warriors under coach Rocky Aloisi after scraping into the Top 5 with the last minor round match troubled the finalists. Aloisi's Warriors struggled early in the season and even bottom place in the Premier League looked a distinct possibility until the Warriors started to believe in Aloisi's game plans. Damian Stam emerged as the star of the Warriors and he is now making his mark with Adelaide City's Ericsson Cup squad under Zoran Matic.



Face in the crowd at a local Premier League game. Stan (The Man) Lazaridus (West Ham United).

The Warriors blasted Adelaide Blue Eagles (4-0) out of the Premiership race then succumbed to Campbelltown City (2-4). It was a mighty effort considering their early season form with Aloisi being rewarded with a letter presented to him announcing he was no longer required as coach of the Warriors at the South Australian Soccer Federation Awards night.

Adelaide Blue Eagles the glamour side of the '90s couldn't recapture the glory days and the Blue Eagles attack once the most feared in the League seemed to have lost its bite. Some consolation to Blue Eagles coach Zoran Karadzic was the club managed to take out another Mutual Community Federation Cup Final in June when they defeated the Raiders 3-1.

Mike Barnett climbed into the Port Lion Pirates hot seat and yet again the Pirates had one of the strongest sides on paper. The boys from the Port rarely got out of the first gear for most of the season even though workaholic midfielder Leo Maio tried in vain to lift the spirits. The Pirates let vital points slip with concentration lapses and they gave away far too many soft goals. After 18 minor rounds the Pirates were only one point away from the Top 5.

Newly promoted Cumberland United did enough to suggest that home should be in the Premier League. The Foxes played inspiring soccer and their enthusiasm was never dampened regardless of the result. Andy Leane followed in his coaching fathers footsteps (David) when he joined the Zebras at the start of their 1998/99 Ericsson Cup season. The Foxes played a strong campaign and possibly inexperience cost them a place in the finals, time will tell this season.

John Fontanarosa (Croydon) (left) trying to break away from Robert Walczynski (Cumberland).

Elizabeth City Rams were the other newly promoted club to make their mark in the Premier League. Dual coaches Harry Bell and Jimmy Mitchell called upon all of their experience to make the Rams a force. Rams young striker Daniel Reynolds staked his claim in the Premier League working well with guest player Nathan Day. The Rams charged and prodded and one of their best moments arrived in round 8 of the Premier League season when they sent the reigning champion Raiders flying with a 6-2 drubbing at Hanson Reserve.

The Olympians reshuffled their coaching line up three times in 1998 after Zoran Maricic departed to take up an offer with the youngsters of South Australian Soccer. The coach for the start of the season was Spiro Dafernos and the Olympians started like a house on fire. After claiming full points in the opening two rounds the Flames rarely troubled the Top 5 and were doomed to struggle. Shark's captain Branko Milosevic took the coaching responsibilities and instilled stability to the Flames, but it wasn't enough to drive the Olympians into the finals.

The surprise of the Premier League came from 1997 reigning champions Raiders who after setting an amazing 22 match non losing streak in '97 waited until round 8 to record their first victory against Elizabeth City at Hanson Reserve. The down slide in form saw coach Alby Kidd step down and Adelaide City guest player Mark Brazzale stepped up for the remainder of the season. Brazzale tried his hardest to motivate his Raiders but all in vain. The news of no Premier League team being relegated in 1998 eased the pressure on the Raiders and towards the end of the season Brazzale managed to blood some youngsters in preparation for the 1999 Premier League season.

This 1999 Premier League season will be the last before the turn of the century and the new millennium and it will be a cracker. Modbury jets and Para Hills come into the 12 team Premier League and the State League has expanded with the Panthers, North Eastern MetroStars and Northern Demons included. South Australian soccer is on the move again, the world class Hindmarsh Stadium will be completed in 1999, Olympic matches staged in Adelaide in 2000, is there a better sport in the world? Six billion people can't be wrong!

In one of the most extraordinary finales to the State League the Modbury Jets and the Para Hills Knights won Premier League promotion to the expanded 1999 twelve team League.

Exceptional because Para Hills finished 6th on the table after 22 minor round matches and were pitted against Noarlunga United (7th) in the Elimination Final. State League clubs West Adelaide (2nd) and Adelaide City (5th) did not participate in the Top 5 play off leaving the 6th and 7th placed teams a glimmer of hope for promotion.

Para Hills easily defeated Noarlunga (3-0) in the Elimination Final and the Cobras surprised Enfield City with a last minute 3-2 victory in the qualifying final.

The stage was set with the Knights meeting Enfield City in the first semi final and the Cobras playing for a Grand Final place against Modbury. Unbelievably the Knights did it again, knocking out a disappointing Enfield City 1-0, and Modbury jets won the direct route to the Grand Final with a tough 2-1 victory over the Cobras.

The glimmer of hope the Knights saw in the elimination final turned into a ray of sunshine in the Preliminary Final when they bundled the Cobras out 2-0. The Knights won a place in the 1999 Premier League without kicking a ball in the Grand Final.

The sceptics thought the Modbury v Para Hills Grand Final would be a formality, but when the Jets lured Adelaide City player Brad Hassell for another guest appearance, it was the sign that the big one would be a battle.

The Modbury Jets took out the double at the end of the night defeating Para Hills 1-0 in a tight affair adding to their Minor Premiership victory.

Western Strikers and Adelaide Hills were the new additions to the State League and after finding the going tough for the first couple of months they managed to reel in a few big scalps to their young history.

The biggest fall in the State League came from Port Pirie City who dropped right away from play off contention after having a satisfying 1997 when they reached the Top 5.

Seaford battled on and even though they finished bottom the Surfers gained respect with their true grit performance.

Salisbury United decimated by the massive loss of player till managed to pull off the big upset and will need to regroup to make them a force once again.

For 1999 the State League will be expanded to a 13 team league with the inclusion of the Panthers, MetroStars and Northern Demons.

It goes to show that the sport is still rapidly growing with the Panthers situated in the Southern suburbs of Adelaide and the Demons yet another side out at Port Pirie.

The MetroStars have already aligned themselves to a giant in the USA with an allegiance with Major Soccer League club, the New York Metro Stars. Already the League is shaping up to be the most interesting ever, such is the hunger of all the clubs.

MUTUAL COMMUNITY FEDERATION CUP 1998

VAL MIGLIACCIO

The Adelaide Blue Eagles won the Mutual Community Federation Cup for the third time in four years when they comfortably defeated the Raiders 3-1 in the final on June 7th. Blue Eagles coach Zoran Karadzic still maintained his record of picking up a major trophy each year for the Firle club since he took the job as boss in 1994.

Thirty-one clubs competed for the biggest knock-out competition prize in South Australian soccer with cup holders Blue Eagles surviving a scare when they managed to edge out Modbury Jets in a thrilling 4-3 victory. The biggest shock of round 1 saw Premier League club Olympians disappear out of the cup to the Modbury jets amateurs (3-2).

Indeed it was a strange situation for the Jets with their amateurs in round 2 and their State League side having the next cup weekend off.

Port Pirie Red Devils another round 1 surprise packet from the Northern Areas Soccer Association sent the Adelaide Cobras packing (2-1).

The Mutual Community Federation Cup competition still managed to spring many further upsets with amateur club Elizabeth Downs causing the exit of new State league club Adelaide Hills with a 1–0 victory in round 2.

Three Premier League clubs, Croydon, Campbelltown City and Elizabeth City all departed in round 2 with the West Adelaide Sharks State League side doing the most damage with a 4–2 victory over Elizabeth City.

In the quarter finals of the Mutual Community Federation Cup all the favourites graduated with Elizabeth Downs' run coming to an end at the hands of West Torrens Birkalla (0–2) and West Adelaide getting trounced by the reigning cup holders Blue Eagles (1–5).

The semi finals clashes were fascinating with Birkalla in hot form against the slow starting Blue Eagles and an out-of-form Raiders against their old rival White City Woodville Warriors. The Blue Eagles in a merciless display shocked Birkalla back to earth with a 6–1 trouncing and some critics have said that the loss kick started Birkalla into real Premiership contenders.

Paul Simmons (right) Blue Eagles keeping a close eye on his West Adelaide opponent.

In the other semi-final the Raiders displayed a complete form reversal to oust White City 3–1, to set up a Cup Final meeting with the Adelaide Blue Eagles on the Queens Birthday holiday weekend.

The Mutual Community Federation Cup competition stands for all good knockout cup competitions around the world. Every competing club in South Australia has the opportunity for glory, no matter how big or small the club is.

Who could forget what happened in England in the 1997 FA Cup when non-league Stevenage became renown right throughout the world, not for winning the FA Cup but for making the life of Premier League giant Newcastle United a misery.

Congratulations once again to the 1998 Mutual Community Federation Cup winners the Adelaide Blue Eagles. For all the future competitors remember the power of the Mutual Community Federation Cup, where dreams can become reality.
